Multibrand Clothing Distribution Manufacture, Import & Sourcing

'Catalog 1' showcases only around 600 of our bestselling adults' styles covering essential needs across Leisure wear, Corporate, Workwear & PPE, Outdoor Clothing, Sports Wear & General Accessories - most of which can be printed or embroidered.

To view our full range of products please see some of our other catalogues listed below (all of which can be downloaded from our website - ckl.uk.com).

Finally, remember to check our website regularly - we're always adding fantastic new products!

WHY USE CKL...?

STOCK SERVICE

We carry a huge range from stock - over 500,000 items at any one time.

MULTI-BRAND RANGE

Our ever-expanding range encompasses 100's of brands and 10,000s of products.

SOURCING

We provide genuine independent advice to help you find the perfect product at the right price - whether it's a top international brand, or a bespoke product from one of our trusted global network of manufacturers.

OUR HERITAGE

Clothing is in CKL's DNA. Established in 1972 as a manufacturer, having been founded upon a tailoring background since 1947 and stretching back generations. Few trade distributors have such heritage as CKL.

BESPOKE SERVICE

(See back page for details).

LOW PRICES & DISCOUNTS

We believe we already offer the lowest trade prices in the UK, but you can also benefit from further volume discounts and if you order at least 3 months prior to delivery. Don't believe us..? Then contact us for our TRADE PRICE LISTS and put us to the test!

DESIGN CUSTOMISE ADAPT SAMPLE
OWN BRAND CUSTOMER STOCKHOLDING

NEED A BESPOKE PRODUCT MADE TO YOUR OWN SPEC..?

If you've read about our heritage (see inside front cover), you'll know that CKL have been manufacturing since 1972. We're experts in designing, sampling, manufacturing, certifying and stockholding bespoke garments made to our customers' choice of fabrics, colours, trims, and features - all at some of the most competitive prices to be found anywhere in the UK.

Whether it's a bespoke new style, or a minor customisation of an existing item, CKL offer a total professional solution, design-to-production-to-stockholding. Talk to us for details.

RETURNS & RESTOCKING FEES

All returns must be agreed in advance. There is a restocking fee of 15% for items in this catalogue, and goods must be returned in a re-sellable condition.

FAULTY / DAMAGED GOODS

Any items with genuine manufacturing defects must be notified to CKL as soon as possible, and will be refunded in full or exchanged (without restocking fee) only if such defects are deemed as genuine by CKL. Returns must arrive back to us within 28 days of the invoice date, or later, at our discretion, for example, if the item had a genuine manufacturing defect that could not reasonably have been detected earlier.

GOODS PERSONALISED BY YOU

Items printed or embroidered by yourselves or your agents following purchase from CKL are non-returnable, unless permitted at our discretion, or if it can otherwise be demonstrated beyond a reasonable doubt that the item had a genuine manufacturing defect which could not reasonably have been detected prior to decoration.

DISCOUNTED DELIVERY OPTIONS

High Visibility Softshell Range

Fabric Information

High visibility 3 layer softshell fabric is made from a 94% polyester / 6% spandex outer layer, laminated to a TPU membrane, and bonded with a 100% polyester micro polar fleece inner layer. The outer layer is windproof, the mid layer provides water resistance while the inner layer adds warmth in cold temperatures yet offers excellent breathability.

Repetitive Strain Injury (RSI) is probably the foremost work related health problem in the western world.

But many feet suffer **unnecessarily**.

Introducing... **FootStopService** BY **Jalas**

JALAS® FootStop Service is a portable foot scanning service. We will visit your organisation and test the feet of each of your staff individually for anatomically correct insoles that will help **prevent RSI**.

A SMALL INVESTMENT IN THE PROPER INSOLE CAN DRASTICALLY AFFECT EMPLOYEE WELLBEING

Feet can be scanned with socks on. Within seconds the scanner takes key measurements such as the foot's arch size and the distribution of pressure points across the sole.

The results are available directly, allowing our staff can help you arrive at the anatomically correct shoes and insoles for each user instantly.
