CURRICULUM FOCUSED EDUCATION MODULES

Faversham, Kent ME13 8XZ

A charity providing access & education to the National Fruit Collection

BROGDAL COLLECTIONS

Faversham, Kent, is home to the National Fruit Collection. Which is made up of over 4000 different varieties of apples, pears, plums, cherries, quince, hazelnuts and cobnuts and a variety of soft fruits.

We have over 150 acres including Orchards, farmland and nature areas to explore and discover how fruit is grown and how climate and insects play their part. NEW for 2017 our Beastie Bug Garden and interactive educational weather station.

MODULE DAYS

Days run from 10am-2pm and include a morning & afternoon session. Lunch can be enjoyed in our picnic area & play park or inside in our Russett Room.

Sessions are led by a Brogdale Collections Tutor and all materials including stationary are provided. The day will encompass hands on learning, discussions and interactive learning activities.

Teachers are provided with a complimentary pre visit to discuss their requirements on booking.

Activities vary within the module content depending on the age group booked and what the group is learning at school
