

Corporate Membership – 2016 / 2017

- Annual Membership commences on the 1st June. Companies who join after the commencement date would be invoiced in full the remaining pro-rata monthly fee.
- Corporate Members may use their cards throughout the year subject to tee availability. **The cards can be used more than once during each day** however, a minimum of five hours will be allotted between tee times. Tee reservations can only be made by the Corporate Member or his representative made known to the Club and not by guests who would be using the card.
- The Corporate Member has the option and at no further cost to attribute one named person as a Full Golf Member of Lanhydrock Hotel and Golf Club. When those persons are on the course, it would be within the Corporate Membership and be recorded as a card in use.
- If the Corporate Member has four golf cards or more, they will have the option to add two named persons for full Fitness Suite Membership. This facility is separate to golf and can be used at anytime. Names may be changed on annual renewal.

Benefits of being a Lanhydrock Corporate Member

- **Our Aims** – The Lanhydrock Corporate Membership is designed for you to entertain clients and colleagues in a peaceful and private setting with the option of utilising the full golf members benefits and to be able to reward customers and staff alike for their loyalty in a cost effective manner.
