VIJAI MARINE SHIPYARDS

SHIP DESIGN | SHIP BUILDING | SHIP REPAIRS

Building Ships, For Every Coast...

Build Better, Build With Us...

Company Profile

Vijai Marine Shipyards, owned and operated by Vijai Marine Services, is a ISO 9001:2008 certified private sector shipyard established in 1985 by Mr. Jairam I. Dialani.

The shipyard focuses on optimized ship designing and achieving higher productivity, thus enabling the shipyard to deliver high shipbuilding standards in the shortest possible time for ship delivery.

The company undertakes turn key projects, involving Design, Construction, Commissioning and Delivery of Marine Crafts and Floating Vessels for coastal and Inland operations.

The core strength of the company is the team work and ability to design - build vessels catering to the specific requirements of clients and statutory bodies and deliver them on schedule.

Team Vijai Marine Shipyards is committed to designing and building ships for every coast and marine operations with optimum performance parameters and ensuring best value for our clients investment.

Building Ships, For Every Coast...

Commitment to Quality

Dedicated and independent Quality Control & Assurance Department involved at all stages of vessel construction ensures effective control on each ship component process and standards it needs to conform to.

The periodic technical training and safety awareness programs conducted jointly by H.R and Q.C Dept, keeps the morale and competence of team high and thus achieving continual improvement of all processes and end product.

Infrastructure

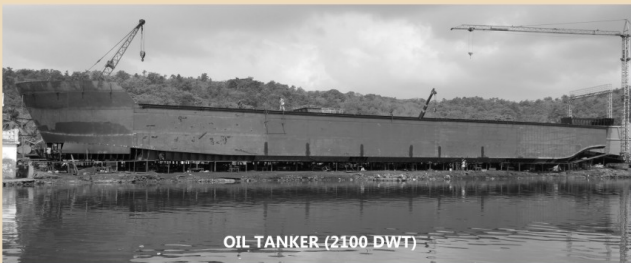

Passenger Ferry

Dry Dock
 Length: - 75 Mtrs.
 Breadth: - 16 Mtrs.
 Area: - 1152 sq. Mtrs.
 Draft: - 2.0 Mtrs
 Power Supply: - 250 kva

Slip Way
 Capacity: - 1200 Ton
 Breadth= 18 mts
 Length: - 118 mtrs.
 Draft: - 3 mtrs.
 Capacity = 1000 t light ship
 Power Supply: - 380 kva

Landing Craft

OIL TANKER (2100 DWT)

RO-RO Heavy Vehicle Carrier

Hull

The layout of shipyard is planned to facilitate material flow and production processes, enhancing productivity, and enabling the shipyard to undertake construction of 7 vessels at a time.

The construction bays can build vessels with 1000t light ship, and dimensions upto 85m x 18 m. The production equipment available at each bay comprises of welding rectifiers, CO2 welding machines, heating ovens, pipe bending machine and other requisite machinery.

Ship launching

Shifting trolley arrangement, End launching winch with trolleys, side launch ramps, synchronized power pack for ship lifting make it possible for yard to construct and launch ships with ease.

Fishing Vessel

In-house High pressure compressors, airless spray painting machines, jet wash machines and heavy duty vacuum cleaners ensure cleanliness is maintained during construction and effective control on quality of surface preparation and coatings is achieved, conforming to stated parameters.

Outfitting

Manufacturing of outfit items like water tight doors, hatches, stern gear and other ship components are done at the independent machine shop with skilled workforce. The sheet metal and carpentry workshops are set in house, installed with CNC press brake and wood working machinery, enabling shipyard to undertake all scales of jobs on the ship including interiors.

Delivery

The shipyard has 3 pontoons, installed with 50T crane, gen sets, mobile 400watt lighting towers and other necessary equipment to assist in quick commissioning of ships after launching, and attend to various scopes of repair and refit jobs. Relevant facilities for carrying out inclining experiment, load trials etc and other tests on the vessel are available with shipyard.

Tug (20T BP)

In-House Manufacturing Capabilities

Propellor Shaft Machining

We Have the infrastructure and skilled team to manufacture critical ship components under Class certification .This enables the shipyard to have a complete control on quality / workmanship standards of ancillary products and reducing the delivery period of ship. We manufacture the following:

1. Stern Gear & Rudder Components
2. Electrical Panels, Main Switch Board,
3. Water Tight Doors and Hatches,
Manholes
4. A - Brackets & Kort Nozzles
5. Bridge equipment & GMDSS Console
6. Sheet Metal & Carpentry/Interior Works

Marine Electrical Panel Manufacturing

Quick closing Hatch

GMDSS Console & Bridge Console

HVAC

Floating Hotel Interiors

Eccentric Shaft Repairs

Bridge console

Steel Water Tight door

Type: Cargo Vessel
Name : M.V. Abhijeet
Length : 70 Mtrs
Breadth : 14 Mtrs
Depth : 4.35 Mld
Class : IRS
Speed : 9.5 knots
Year of Built : 2008

DELIVERED DELIVERED DELIVERED

Type : 5 star luxury passenger floating hotel
Name : Royale Floatel
Length : 60.2 Mtrs
Breadth : 13 Mtrs
Depth : 2 Mld
Class : IRS
Speed : 7 knots
Year of Built : 2012

DELIVERED DELIVERED DELIVERED

Type: Deck Loading Vessel
Name : M.V. Tebma Team 1
Length : 45 Mtrs
Breadth : 13 Mtrs
Depth : 3 Mld
Class : IRS
Speed : 8 knots
Year of Built : 2009

DELIVERED DELIVERED DELIVERED

Type: Ship in campus
Name : Prabhu Vidya
Year of Built : 2012

DELIVERED DELIVERED DELIVERED

Type: Multi purpose utility vessel
Name : A - Three
Length : 48 Mtrs
Breadth : 11 Mtrs
Depth : 3.50 Mld
Class : IRS
Speed : 12.85 knots
Year of Built : 2013

Type: Berthing Pontoon
Name : VKD 1
Length : 40 Mtrs
Breadth : 9 Mtrs
Depth : 4.5 Mld
Class : DGNP
Year of Built : 2013

Type: Excavator mounted spud pontoon
Name : Grab Dredger 1
Length : 32.5 Mtrs
Breadth : 9 Mtrs
Depth : 2.5 Mld
Class : IRS
Year of Built : 2013

Type: Fishing research vessel
Name : F.V. Silver Pompano
Length : 19.75 Mtrs
Breadth : 7 Mtrs
Depth : 2.80 Mld
Class : IRS
Speed : 10.5 knots
Year of Built : 2013

Type: 650 DWT P.O.L. Tanker
Name: MOB OCEAN BREEZE
Length : 53 Mtrs
Breadth : 10 Mtrs
Depth : 3 Mld
Class : IRS
Speed : 9.9 knots
Year of Built : 2013

DELIVERED DELIVERED DELIVERED

Type: 10 T Bollard Pull Tug
Name: M.T. Malabar
Length : 23.375Mtrs
Breadth : 7 Mtrs
Depth : 3.5 Mld
Class : IRS
Speed : 8.50 knots
Year of Built : 2015

DELIVERED DELIVERED DELIVERED

Type: Self Propelled Twin Screw Deck Loading Ferry
Name: Coral Carrier
Length : 30.5 Mtrs
Breadth : 7.8 Mtrs
Depth : 1.9 Mld
Port of Registry : Ministry of Transport (Maldives)
Speed : 8 knots
Year of Built : 2015

DELIVERED DELIVERED DELIVERED

Type: RO-RO Cargo Landing Craft
Name: Delma 10
Length : 65 Mtrs
Breadth : 14 Mtrs
Depth : 3.50 Mld
Class : RINA
Speed : 10 knots
Year of Built : 2015
