This certificate

All doctors who want to practise medicine in the UK must hold both registration and a licence to practise.

If the doctor's current status includes a reference to APS, this means their practice in the UK is subject to the requirements of our approved practice settings (APS) scheme. You can find more information about APS at www.gmc-uk.org/aps/.

This certificate does not guarantee that this doctor's status on the register has not changed. You can check this doctor's status on the register, and find up to date details of their eligibility to practise medicine in the UK, at www.gmc-uk.org/lrmp or by calling us.

For information on what the details of this certificate mean, go to www.gmc-uk.org/certificates/.
