

PROPLEND MEMBERS' AGREEMENT

Last updated 10th May 2018

Summary of material changes to the last version:

- We have added to Clause 3.7 the option for PSL to use conveyancers regulated by the Council for Licensed Conveyancers (“**Proplend Panel Conveyancer**”).
- We have amended Clause 4.3 to confirm that the Auto-Lend feature can now be used in relation to Loan Contracts on the Proplend Loan Exchange.
- The Privacy Policy has been amended to add further language to comply with ours and PSL’s obligations as data controllers under the General Data Protection Regulation and proposed UK legislation to implement that regulation (which applies from 25 May 2018).

These changes will take effect under Clause 16.3 on or about 10th May 2018.

1. Introduction

1.1 These terms and conditions (“**Members’ Agreement**”) govern the use by you (“**you**”, “**your**”, “**Member**”, which terms shall also refer to an Intermediary appointed under Clause 2.13) of the service, details of which are set out in this Members’ Agreement (the “**Service**”). By accepting this Members’ Agreement you acknowledge that you have also read and understood our conflicts policy (available at www.proplend.com/conflicts-policy) and risk statement (available at www.proplend.com/risk-disclosure) (“**Risk Disclosure**”). The Service is a peer-to-peer lending service operated by Proplend Ltd, a company incorporated and registered in England and Wales with company number 8315922 and whose registered office is at 20-22 Wenlock Road, London N1 7GU (“**Proplend**”, “**we**”, “**us**” and “**our**”), partly via a website maintained by us and accessible via www.proplend.com (the “**Service Website**”).

1.2 The Service enables a Member acting as a lender (“**Lender**”) to finance or refinance the purchase or development of commercial property by a Member acting as a borrower (“**Borrower**”) through simple loans directly between each Lender and Borrower (each, a “**Loan**”) substantially in the terms of the sample loan contract in Annex A with any specific provisions added to reflect the terms of the specific Loan (each a “**Loan Contract**”), each of which is subject to the Loan Conditions in Annex A (“**Loan Conditions**”). A Lender may be either the initial Lender to a Borrower, or may be replacing another Lender to that Borrower through novation of the relevant Loan Contract pursuant to Clause 5.8 of this Members’ Agreement. The Borrower agrees in advance to each novation of the Borrower’s Loan Contracts under Clause 3.12 and hereby agrees to such novation of any of the Borrower’s Loan Contracts previously entered into via the Service, but none of the terms of the related Loan, this Members’ Agreement or any Security Document (as defined in Clause 1.3) is changed by the novation process. A summary is also produced of

certain details from all Loan Contracts entered into by the Borrower at or about the same time, as well as the amount of any Arrangement Fee ("**Loan Summary**").

- 1.3 In addition, each Borrower (and, as appropriate, its respective shareholder(s)) and/or others separately enters into certain security arrangements with Proplend Security Limited, a company incorporated and registered in England and Wales with company number 8620117 and whose registered office is at 20-22 Wenlock Road, London N1 7GU ("**PSL**") in accordance with Clause 3.12(c) to secure and/or guarantee its repayment of the Loans (each a "**Security Document**"), and PSL holds the benefit of such Security Documents in trust for and on behalf of, and for the benefit of, each Lender in accordance with the provisions of Clauses 4.17 and 5.6. This Members' Agreement, which includes the privacy policy in Annex B ("**Privacy Policy**"), governs the operation of the Service and its use by you if your application to use the Service is approved by us. Our corporate and regulatory details are set out in Clause 11.
- 1.4 This Members' Agreement will come into effect once you have signed it and we have notified you that your application to use the Service has been approved, and shall continue unless and until it is terminated in accordance with the provisions of Clause 13.
- 1.5 If you wish to enter into Loan Contracts via an Innovative Finance Individual Savings Account managed by Proplend ("**IFISA**"), you will also need to agree the Proplend IFISA Terms, which form part of this Members' Agreement for that purpose.

2. Eligibility

- 2.1 Any person may apply to use the Service for information purposes only, subject to the provisions of this Members' Agreement. Subject to the provisions relating to eligibility in this Clause 2, "person" shall include an individual or other legal entity as the context requires.
- 2.2 To be eligible to apply to use the Service as a Lender, if you are not a resident of the United Kingdom of Great Britain and Northern Ireland, excluding the Channel Islands and the Isle of Man ("**UK**") you are solely responsible for ensuring that your use of the Service does not breach any laws, regulations or rules in your country of residence (including those related to tax payable on any gross interest received), and you must:
 - (a) be at least 18 years old with a payment account at a duly authorised financial institution acceptable to us;
 - (b) not be borrowing money via the Service; and
 - (c) have a total of at least £1,000 in the Proplend Customer Funds Account (as defined in Clause 4.1) or outstanding Loans via the Service at any one time.

- 2.3 If a Lender is:
- (a) a trustee, the Lender's user name must include the word "Trustee";
 - (b) a pension fund trustee or manager, the Lender's user name must include "SIPP", "SSAS" or "Pension Scheme", as appropriate,
- and, for the avoidance of doubt, in each case the Lender will be the legal entity acting as trustee and not the beneficiaries of that trust or pension fund. Accordingly, payments on account of interest and capital which are payable to the trust or pension fund cannot be paid directly to the beneficiaries and must be paid to the bank account of the relevant trustee.
- 2.4 Proplend acknowledges that pension funds are usually subject to restrictions on the entities to which they can lend and, in particular, are prohibited from lending to certain connected parties. Whilst Proplend will endeavour to identify and draw to the attention of Lenders any lending opportunities which would infringe any restrictions known to us, we accept no liability or responsibility in this regard and the Lender must undertake its own due diligence in that respect.
- 2.5 To be eligible to apply to use the Service as a Borrower, you must:
- (a) not be an individual, a partnership consisting of two or three persons (unless all the parties are bodies corporate) or an unincorporated body of persons which does not consist entirely of bodies corporate; and
 - (b) you must:
 - (i) be incorporated or established in the UK, Channel Islands or Isle of Man; and
 - (ii) hold a UK, Channel Islands or Isle of Man bank account.
- 2.6 If you apply to be a Borrower, we will carry out credit and fraud checks on you, your director(s), officer(s) and/or members and your business.
- 2.7 You must provide us with all information requested during the application process and comply with all our identification and anti-money laundering requirements to enable us to comply with all laws, regulations, rules and regulatory guidance applicable to the Service including the Financial Services and Markets Act 2000 ("**FSMA**") and the Handbook of the Financial Conduct Authority (company No. 01920623) of 25 The North Colonnade, Canary Wharf, London E14 5HS ("**FCA**") available at <https://www.handbook.fca.org.uk/handbook/> ("**FCA Rules**") and any related amendment, re-enactment, subordinate legislation and regulations ("**Applicable Law**").
- 2.8 We reserve the right, in our sole discretion, to refuse to register you to use the Service for any reason.

- 2.9 Upon completion of the registration process, including satisfaction of any required verification checks and acceptance by us, we will open a data account in your name in our systems (“**Proplend Account**”, also referred to as a “**Dashboard**”). Your Proplend Account is used to record transactions and other information, including a list of your respective Lenders or respective Borrowers (as the case may be), amounts paid by you or owed to you, but does not hold any funds. If we approve your application for a Proplend Account, you may be asked to choose a username and password (“**Passcodes**”).
- 2.10 Each time you seek to access your Proplend Account, we will check your identity by asking for your Passcodes. As long as your correct Passcodes are entered, we will assume that you are the person giving instructions and you will be liable for them, except to the extent provided for in Clause 2.9. You must therefore keep the Passcodes secret and make sure that they are not stored in a way that enables others who are acting without your authority to access them or impersonate you. If you disclose the Passcodes to any person whom you authorise to access and operate your Proplend Account on your behalf, you are also responsible and liable for any access, use, misuse or disclosure of your Passcodes or your Proplend Account by such person.
- 2.11 Unless and until you tell us that you believe that someone else, who is acting without your authority, knows the Passcodes or can use the Service by impersonating you:
- (a) you will be responsible for any instruction which we receive and act on, even if it was not given by you; and
 - (b) we will not be responsible for any unauthorised access to confidential information about you in your Proplend Account.
- We can refuse to act on any instruction that we believe: (i) was unclear; or (ii) was not given by you or someone acting on your behalf with your authority; or (iii) might cause us to breach a legal or other duty; or (iv) if we believe the Service is being used for an illegal purpose.
- 2.12 While we provide the Service to enable you to seek Lenders if you are a Borrower, or to seek Borrowers if you are a Lender in accordance with the terms of this Members’ Agreement, we do not undertake to find (as the case may be) Lenders or Borrowers for you.
- 2.13 Subject to FCA Rules and the provisions of this Members’ Agreement (as amended or supplemented from time to time), we may agree to accept instructions on your behalf from a financial adviser or other intermediary (“**Intermediary**”) you authorise to act for you. The Intermediary must also agree to the terms of this Members’ Agreement and any specific additional terms and/or amendments we may agree with you and/or the Intermediary in this regard. Where you appoint an Intermediary to act for you and the Intermediary agrees the terms of the

Members' Agreement, then, in addition to the other provisions of this Members' Agreement, and in consideration of our agreeing to accept instructions from the Intermediary, you and the Intermediary agree that:

- (a) we will comply with the electronic or other instructions of your Intermediary in relation to any action or instruction which can be taken by you under this Members' Agreement as if they were taken or given direct by you;
- (b) we may send notices and communications under this Members' Agreement to your Intermediary only;
- (c) we will cease to act on the instructions of your Intermediary if we suspect or are reasonably satisfied that the Intermediary no longer has your authority;
- (d) we may require further proof of your identity and/or that of the Intermediary before ceasing to accept instructions from the Intermediary or such further documentation or confirmation as may be necessary to comply with Applicable Law or that we may reasonably require;
- (e) the Intermediary shall procure such evidence of the Lender's consent in relation to this Members' Agreement and the activities contemplated by it as we may reasonably require;
- (f) the Intermediary confirms, represents and warrants that at all material times the Intermediary is either duly authorised, or exempt from authorisation, under Applicable Law in respect of the activities carried on by it in relation to the Lender in connection with the Service, this Members' Agreement and each relevant Offer, Loan Request and/or Loan Contract;
- (g) the Intermediary shall immediately inform us if the Intermediary ceases to be duly authorised, or exempt from authorisation, under Applicable Law as specified in Clause 2.11(f);
- (h) the Intermediary, and not Proplend, shall be responsible for ensuring compliance with Applicable Law relating to the Intermediary's relationship and dealings with, and activities on behalf of, the Intermediary's Lender client;
- (i) the Intermediary shall, on demand, by Proplend, produce original copies of any identification evidence, written instructions or orders that the Intermediary obtains from the Lender in relation to the Intermediary's actions or omissions in relation to the Service, this Members' Agreement and each relevant Offer, Loan Request and/or Loan Contract;
- (j) the Intermediary shall indemnify Proplend and PSL and each of their directors, officers and employees, against all liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and reasonable legal costs and all other reasonable professional costs and expenses) suffered or incurred by each of them out of or in

connection with the Intermediary's failure to comply with any provision of this Members' Agreement.

3. Posting a Loan Request

- 3.1 Where we approve your application to be a Borrower, you will be able to initiate a request to borrow money via the Service according to the form and processes specified in your Proplend Account and in accordance with the terms of this Members' Agreement ("**Loan Request**"). You may make a Loan Request for short term 'bridging' Loans or senior debt Loans with a specified duration ("**Loan Term**") for a specified total loan amount exceeding £250,000 ("**Total Loan Amount**") in the Tranches, and subject to the Priority, specified in Clause 4. Loans are interest only, such that only interest is repayable during the term of the Loan Contract and the principal must be repaid at the end of the Loan Term. Each Loan Contract will be for a specified portion of the Total Loan Amount (for example, £1,000 unless it will take less than £2,000 to complete a Tranche, in which case you will have a Loan Contract for the balance with the final Lender whose Offer completes that Tranche).
- 3.2 You are responsible for ensuring that all information provided with respect to a Loan Request is complete, accurate, clear, fair and not misleading.
- 3.3 Each Borrower warrants and represents that none of the property provided as security to PSL in relation to any Loans ("**Property**") will be land that is used, or is intended to be used, as or in connection with a dwelling by:
- (a) the Borrower or by an individual who is a beneficiary of any trust in respect of which the Borrower is a trustee; or
 - (b) by a person related to the Borrower or any such beneficiary in any of the following respects:
 - (i) that person's spouse or civil partner; or
 - (ii) a person (whether or not of the opposite sex) whose relationship with that person has the characteristics of the relationship between husband and wife; or
 - (iii) that person's parent, brother, sister, child, grandparent or grandchild.
- 3.4 We reserve the right, in our sole and absolute discretion, to reject a Loan Request for any reason at any time whatsoever.
- 3.5 You may withdraw a Loan Request from the Service at any time before it is successfully funded. Once a Loan Request is successfully funded, the provisions of Clause 3.12(c) apply.

- 3.6 You must comply with all Applicable Law relating to your Loan Request and your activities on the Service Website or relating to the Service.
- 3.7 By initiating a Loan Request to your Proplend Account, as a Borrower you agree:
- (a) to supply all information reasonably required by a reasonably prudent lender acting reasonably to determine whether or not to accept your Loan Request (“**Due Diligence Material**”);
 - (b) to pay for a valuation of the Property initiated by PSL (a “**Valuation**”) directly to the Valuer (as defined in Clause 3.8(a)), as directed by PSL (and to pay for any subsequent Valuation that PSL may request in the interests of your Lenders, having regard to the passing of time, a material change in the Property or the market related to the Property, or any other change in circumstances related to the Loan Contracts or any Security Document);
 - (c) that a firm of solicitors specified in the relevant Loan Request (“**Proplend Panel Law Firm**”) or conveyancers regulated by the Council for Licensed Conveyancers (“**Proplend Panel Conveyancer**”) will act on behalf of PSL in relation to the Security Documents and a review of any Certificate of Title and other title documentation for the Property as specified in the Loan Request (“**Title Document(s)**”);
 - (d) PSL will select the Proplend Panel Law Firm or Proplend Panel Conveyancer giving due regard to the competence, experience and adequate insurance of that firm. In some cases (including where it is more cost effective to do so in light of the amount to be borrowed and/or to reduce the time taken to conclude the Security Documents and fund the Loan Request), the Borrower and PSL may agree that the Proplend Panel Law Firm or Proplend Panel Conveyancer can act for both the Borrower and PSL, subject always to confirmation that different teams within the Proplend Panel Law Firm or Proplend Panel Conveyancer will act for each side with appropriate information barriers and explicit confirmation that such an arrangement does not limit the rights of either the Borrower or PSL, with such arrangement outlined in the Loan Request;
 - (e) to pay the legal fees of PSL in connection with the entry into the Security Documents and the review of the Title Document(s);
 - (f) to pay all of your own legal fees as a Borrower;
 - (g) to provide the Title Document(s) specified in the Loan Request from your own solicitor (which would include the Proplend Panel Law Firm or Proplend Panel Conveyancer, where it is also acting for you) at your own cost and instruct your solicitor to make such amendments to the Title Document(s) or additional information as required to satisfy the Proplend Panel Law Firm or Proplend Panel Conveyancer that the Title Document(s) is or are complete, accurate and can be relied upon for the purpose of the Loan;

- (h) to pay to Proplend the Break Fee described in Clause 3.12(c) if that becomes payable;
 - (i) to pay to Proplend the Arrangement Fee, details of which are provided in Clause 8; and
 - (j) to pay the cost of any insurance obtained by PSL under Clause 3.8.
- 3.8 PSL will carry out the following checks by way of due diligence on each Loan Request (“**Due Diligence**”) and gather the resulting information in a specific area of the Service Website for each Lender to review in the course of deciding whether or not to make an Offer:
- (a) A Valuation of the Property by a professionally qualified valuer who is a member of the Royal Institution of Chartered Surveyors, chosen by PSL (“**Valuer**”);
 - (b) information about the security property, including any leases, tenant(s) and covenants given by any tenant(s) (including the Title Document(s) and the Proplend Panel Law Firm’s or Proplend Panel Conveyancer’s report on the Title Document(s), unless PSL obtains appropriate insurance in relation to the title risk from a reputable insurer, the details of which insurance will be made available to Lenders and the benefit of which will be held on trust by PSL for the Lenders, the perpetuity period of such trust being 125 years);
 - (c) information about you as the Borrower and your property experience, including credit reference information about you and each of your directors, officers and/or members;
 - (d) information about any personal or corporate guarantors, including identity and credit reference checks;
 - (e) Security Documents to be entered into; and
 - (f) any other documentation that PSL reasonably deems necessary.
- 3.9 If the Due Diligence identifies any outstanding issues with your proposed Loan Request, we will contact you and you will have the opportunity to re-price or alter your proposed Loan Request or take any other action necessary to resolve the outstanding issue within 5 days.
- 3.10 Once the Due Diligence is completed to PSL’s satisfaction:
- (a) PSL will notify you and us; and
 - (b) PSL will send you the final Security Documents. You must read and agree these documents and take independent legal advice in relation to them.
- 3.11 Once we have received notice from PSL that it has satisfactorily completed its Due Diligence in relation to your proposed Loan Request, we will notify you via email that you may publish your Loan Request on the Service Website.

3.12 By publishing your Loan Request on the Service Website, you agree:

- (a) Subject to Clause 3.12(c) and the satisfaction of the conditions precedent (if any) stated in the Loan Request ("**Conditions Precedent**"), that the acceptance by you of each Lender's Offer (as defined in Clause 4.1) will create a direct Loan Contract between you and each Lender, governed by the Loan Conditions which you have read, understand and agree;
- (b) you have read, understand and agree to, and shall enter into or, as the case may be, procure the entering into of the Security Documents sent to you by PSL; and
- (c) you will be liable to pay to us a break fee of 2% ("**Break Fee**") unless your Loan Request is successfully funded within 30 days (or such other period up to a maximum of 90 days that you may stipulate in your Loan Request) and within 2 Business Days (a "**Business Day**", being any day (except Saturdays and Sundays) after the date on which it is successfully funded ("**the Acceptance Period**") you

accept each of the relevant Lenders' Offers (including any subsequent Offers by Lenders agreeing to novation) by entering into the Loan Contracts in accordance with the electronic signing instructions on the Service Website, which shall also constitute your irrevocable continuing agreement to the novation of any such Loan Contracts by the relevant Lenders (and each subsequent novation of any such novated Loan Contracts) as often as the relevant Lenders agree in accordance with this Members' Agreement; and signing and returning the Security Documents to PSL.

For the avoidance of doubt, if you abandon the fundraising before it is fully funded or you do not accept the relevant Lenders' Offers under this Clause 3.12(c) within the Acceptance Period, then you will be deemed to have declined to accept the Lenders' Offers and the Break Fee will be immediately payable to us.

3.13 You acknowledge and agree that:

- (a) neither PSL nor we will verify or audit statements made by you in relation to any of your Loan Requests, for which you are solely responsible;
- (b) neither PSL nor we will supply you with any financial, legal, environmental, accounting or tax advice; and
- (c) neither PSL nor we warrant that use of any of the documents supplied as part of the Service including, without limitation to the generality of the foregoing, any Loan Contract, the Loan Conditions and the Security Documents are suitable or appropriate for your needs and you must take your own independent legal and other advice on the terms of such documents.

3.14 By submitting any material to us, or posting any such material on the Service Website, you warrant and represent to us that:

- (i) any statements made by you as a Borrower have the approval of your board of directors or members, as the case may be, and that you have taken all appropriate legal and accounting advice;
- (ii) any statements you make are complete, clear, fair and not misleading; and
- (iii) any projections or forward-looking statements which you make are reasonable and can be supported by evidence.

3.15 We shall have no duty to disclose to you any information which we receive in the course of providing the Service or other services to other persons including, without limitation to the generality of the foregoing, to any Borrower or Lender or potential Borrower or potential Lender.

4. Making an Offer – General

4.1 Before making an offer to lend money via the Service in response to a Borrower’s Loan Request or a Lender’s request to novate an existing Loan Contract under Clause 5.8 (“Offer”), you must first transfer at least £1,000 (or such higher amount that you wish to Offer) to our segregated bank account held at a duly authorised UK credit institution for the purpose of holding and disbursing funds paid by you other than in relation to fees and charges due and payable to us and/or PSL under or in relation to this Members Agreement (“**Proplend Customer Funds Account**”) using a specified payment method registered in your name. Your funds will be held by us on trust for you and treated as Client Money under the FCA’s Client Money Rules in accordance with Clause 7. You may then make an Offer in respect of your cleared funds in relation to one or more Loan Requests. You must also register with us the details of a bank account or building society account based in the UK and opened in your name (“**Nominated Bank Account**”). You will be notified in advance of any transaction charges or other costs that we propose to charge in respect of a transfer of funds from or to your Nominated Bank Account or otherwise. Any such charges or costs shall be debited by us from your Proplend Account, and the corresponding amount will be deducted from funds held by us for you in the Proplend Customer Funds Account.

4.2 Provided you are logged into your Proplend Account and you have sufficient funds showing as available in your Proplend Account you may make an Offer by following the instructions in your Proplend Account.

4.3 We may make available to you an automatic lending feature (“**Auto-Lend**”). Where you have funds available to be lent in your Proplend Account, using Auto-Lend results in new Offers being posted automatically based on the lending criteria you select. Auto-Lend will only operate for Loan Requests available in ‘In Funding’ and

for the purchase of Loan Contracts available on the on the secondary market (“**Proplend Loan Exchange**”), subject to change that would be notified to you in your Dashboard when you use Auto-Lend. You can turn Auto-Lend off at any point via your Dashboard. Whilst Auto-Lend is activated:

- (a) you can still post manual Offers;
- (b) Repayments of interest and principal credited to your Proplend Account will be available for Auto-Lend.

We may withdraw Auto-Lend at any time without notice, but that will not affect Offers already made using Auto-Lend.

4.4 By making each Offer:

- (a) you are offering to enter into a Loan Contract with the relevant Borrower for an amount of £1,000 (or a number of Loan Contracts of £1,000 each, depending on the total amount you are offering), unless it will take less than £2,000 to complete a Tranche, in which case you will have a Loan Contract for the amount that completes that Tranche;
- (b) you acknowledge that you have read and understood the Loan Request and the Due Diligence Material in relation to which you are making the Offer, including any related risk disclosure (“**Risk Disclosure**”), the Loan Contract including the Loan Conditions and the Security Documents; and
- (c) you acknowledge and agree that our decision to allow the relevant Borrower to publish the Loan Request does not constitute any approval or endorsement of the Loan Request or any representation by us or PSL that the Due Diligence Material accurately reflects the risks associated with the Loan Request; and further that you accept and agree that neither we nor PSL warrant that use of any of the documents supplied as part of the Service including, without limitation to the generality of the foregoing, any Loan Contract, the Loan Conditions and the Security Documents are suitable or appropriate for your needs and you must take your own independent legal and other advice on the terms of such documents.

4.5 When you make an Offer, the amount specified in that Offer (the “**Offer Amount**”) will immediately be shown as reserved in your Proplend Account. Any money so reserved will not be available to be allocated to other Offers or to be withdrawn from the Proplend Customer Funds Account for a period ending on the earlier of:

- (a) the target funding level specified in the Loan Request being achieved and subsequent completion of the Loan under Clause 3.12(c)(i); or
- (b) the day on which any Prior Loan Contract(s) matching your Offer are novated to you as Incoming Lender under Clause 5.8;

- (c) the Loan Request failing to attract the target funding level within 30 days after the date on which the Loan Request is posted on the Service Website as stated on the relevant Loan Request; or
- (d) the date upon which the Loan Request is withdrawn or otherwise terminates in accordance with the terms of this Members' Agreement.

4.6 All Loan Requests are reviewed by us and may be segmented into three tranches described below ("**Tranches**") according to the proportion (expressed as a percentage) which the principal loan amount in the Loan Request ("**Total Loan Amount**") bears to the market value of the relevant Property, such market value being determined by the most recent Valuation in respect of that Property ("**LTV**") as at the time the relevant Loan Contracts are formed:

- (a) "Tranche A", in which the total amount of all the Loans equates to 50% of the LTV;
- (b) "Tranche B", in which the total amount of all the Loans equates to 51-65% LTV; and
- (c) "Tranche C", in which the total amount of all the Loans equates to 66-75% LTV.

It shall be an Event of Default under Clause 4.2(e) of the Loan Conditions if the LTV exceeds the LTV limit specified in the applicable Loan Summary ("**LTV Limit**"), as determined by the most recent Valuation at any time during the Loan Term.

4.7 Each Tranche and the Borrower's requested interest rate for that Tranche is risk assessed by us based on data from one or more credit reference agencies of our choosing. You, as a Lender:

- (a) choose the amount of money that you want to Offer and the Tranche(s) to which you wish to allocate your Offer (including the rate of interest); and
- (b) you may make an Offer between the minimum and maximum proportion of the total amount requested in each Tranche, as indicated in the Loan Request.

4.8 Each Lender and Borrower agrees to the following priority in relation to their respective Loan Contracts ("**Priority**"):

- (a) Loan Contracts in relation to Tranche A rank, and shall rank to the extent of monies owed to the Lenders under those Loan Contracts, in priority to Loan Contracts in relation to Tranche B and Tranche C (and monies owed to the Lenders under the Loan Contracts in relation to each of Tranche B and Tranche C);
- (b) Loan Contracts in relation to Tranche B:
 - (i) are and shall be postponed to, and rank after the Loan Contracts in relation to Tranche A; and

- (ii) rank and shall rank to the extent of monies owed to the Lenders under the Tranche B Loan Contracts, in priority to Loan Contracts in relation to Tranche C and (and monies owed to the Lenders under the Loan Contracts in relation to Tranche C); and
- (c) Loan Contracts in relation to Tranche C are and shall be postponed to, and rank after the Loan Contracts in relation to Tranche A and the Loan Contracts in relation to Tranche B.

4.9 The Priority shall stand (regardless of the order of execution, registration or giving of notice or otherwise) so that all proceeds of enforcement or realisation of all or any of the Loan Contracts and security constituted by any of the Security Documents shall, after providing for all reasonable outgoings, costs, charges, expenses and liabilities of enforcement, exercising rights on winding-up and payments ranking in priority as a matter of law, be applied in the following order of priority:

- (a) first, in or towards the discharge of the Loan Contracts in relation to Tranche A;
- (b) second, once the Loan Contracts in relation to Tranche A have been fully discharged, in or towards discharge of the Loan Contracts in relation to Tranche B; and
- (c) third, once the Loan Contracts in relation to Tranche A and Tranche B have been fully discharged, in or towards discharge of the Loan Contracts in relation to Tranche C.

If a Borrower sells all or part of a Property or, where the Borrower has given security over two Properties the Borrower sells one Property, then the gross proceeds of that sale (minus fees payable by the Borrower directly related to the sale) shall be immediately used to repay the Loan Contracts according to the Priority. When such proceeds are allocated to each relevant Tranche, the available amount shall be apportioned according to the proportion that the Loan Amount (as defined in each relevant Loan Contract) represents to the Total Loan Amount borrowed by that Borrower in the Tranche to which the Loan Contract(s) relate(s).

4.10 Valid Offers will be accepted in the order in which they are entered on the Service Website (subject to our right to reject any Offer under Clause 4.16). Each Tranche must be fully funded before the Loan Request can be considered fully funded.

4.11 Expected bad debt estimates are estimates for general guidance only and neither we nor PSL warrant their accuracy or reliability.

4.12 The acceptance of your Offer via the Service Website creates a Loan Contract, which is a separate, direct contractual relationship between you as a Lender and the relevant Borrower or, as the case may be, you as the Borrower and the relevant Lender(s). Neither we nor PSL are a party to any Loan Contract. Loans are interest

only, such that only interest is repayable during the Loan Term and the principal must be repaid at the end of the term.

- 4.13 If the Loan Request target funding level is not met or the Loan Request is withdrawn in accordance with the terms of this Members' Agreement, the Offer Amount will no longer be reserved in your Proplend Account and you as a Lender will be free to allocate that amount to another Offer.
- 4.14 There will not be a statutory right to cancel any Offers made under this Members' Agreement.
- 4.15 We shall not advise you or make any personal recommendation as to any Loan Request. You are solely responsible for making your own independent appraisal and investigation of the risks of the investment. If you require specialist advice, you should consult your own appropriately qualified advisers.
- 4.16 We shall not be responsible for the suitability of any Loan Request for you or any purpose for which you enter into it. You should consider carefully the terms of the Risk Disclosure before making an Offer.
- 4.17 We reserve the right to reject an Offer for any reason, or no reason, at any time.
- 4.18 The performance of each Borrower's obligations to you under the Loan Contract will be secured by the Security Documents entered into between the Borrower and PSL or between the shareholder(s) of the Borrower and PSL or the relevant guarantor(s) in favour of PSL as appropriate in accordance with the provisions of Clause 3.12(c)(i). PSL will hold the security and the guarantees created by the Security Documents in trust for and on behalf of the relevant Lenders to that Borrower, and will enforce the Security Documents for the benefit of such Lenders in accordance with Clause 5.6. The perpetuity period of that trust shall be 125 years.

5. After the Loan Contract is formed

- 5.1 Subject always to the provisions of Clause 3.4 (our right to reject a Loan Request), upon a Loan Request achieving its target funding level and subject to the relevant Borrower and any other relevant party entering into the Security Documents with PSL:
 - (a) we will debit the Offer Amount from each Lender's Proplend Account and credit the Proplend Account of the relevant Borrower for the same amount, less:
 - (i) an amount of any fees owed by the Borrower under Clause 8 of this Members' Agreement or the Loan Contract (together, "**Fees**"); and

- (ii) an amount equivalent to the number of interest Repayments specified in the Loan Request and the Loan Contract as an **“Interest Reserve”**, to be held by us in the Proplend Customer Funds Account pending any claims under Clause 5.5;
 - (b) we will pay the funds corresponding to the Offer Amount, less the amount of any Fees and the Interest Reserve from the Proplend Customer Funds Account to the relevant Borrower’s Nominated Bank Account (or as otherwise stipulated in the Loan Contract).
- 5.2 For administrative convenience, each Borrower will repay all the Repayments due under all its Loan Contracts at any one time in a single payment specified in the relevant Loan Summary to the Proplend Customer Funds Account by direct debit or standing order, and we undertake to collect and record the payment of those Repayments in the Proplend Account of each Lender. Interest will be paid gross to Lenders, and each Lender shall be responsible for accounting for and paying any taxes due on such interest.
- 5.3 In the event that any Lender successfully makes a claim for payment out of the Interest Reserve (other than under Clause 5.4), the Borrower concerned shall immediately on demand pay into the Interest Reserve an amount equal to the amount paid to each Lender in respect of that claim, so that the amount of the Interest Reserve remains as specified in the relevant Loan Request and the Loan Contract .
- 5.4 Provided that there is no breach of the relevant Loan Contracts by the Borrower, in the event that only three monthly Repayments or one quarterly Repayment remain to be made under all of the Borrower’s relevant Loan Contracts, we will distribute the amount, if any, by which the Interest Reserve exceeds three monthly or one quarterly interest Repayments (**“Interest Reserve Surplus”**) pro rata to the Lenders as each Repayment falls due and apply the balance of the Interest Reserve Surplus toward the repayment of the principal at the end of the Loan Term. In the event that the principal is not repaid on the date of the expiry of the Loan Term, the remaining Interest Reserve will be distributed in payment of interest accrued on the Lenders’ unpaid principal (and any remaining amount of Interest Reserve at the date of repayment of the principal will be applied to repayment of the principal at that time).
- 5.5 If the Borrower misses a Repayment or only partially pays the amount due to you as the Lender, you authorise us or a collections agency nominated by us and whose details we provide to you in writing (**“the Collections Agency”**), acting on your behalf, and we undertake to contact the Borrower to take steps to procure the payment of an amount equivalent to the outstanding Repayment and any additional fees and charges due under or in relation to the relevant Loan Contract and:

- (a) the Lender(s) concerned will automatically make a claim against the Interest Reserve for the amount of the interest component of the missed Repayment(s); and
- (b) we may make a payment from the Interest Reserve in respect of the interest component of the missed Repayment(s),

in accordance with the Priority.

We will keep you informed of the progress of the attempts to collect the outstanding Repayment(s).

5.6 If demand for repayment of the relevant Borrower's Loan Contracts is made under Clause 2.2 of the Loan Conditions or in the event of the occurrence of any Event of Default (as defined in Clause 4.2 of the Loan Conditions):

- (a) PSL shall enforce all or any of the Security Documents having occurred and the relevant proportion of any sums recovered by PSL will be paid to you as Lender, subject to deduction of the costs of recovery (including legal fees and expenses and those of any manager, receiver or administrator appointed by PSL) from the gross proceeds recovered, such that the net amount recovered shall be apportioned according to the proportion that the Loan Amount (as defined in each Loan Contract) under each of your Loan Contracts represented to the Total Loan Amount borrowed by the relevant Borrower in the Tranche to which your Loan Contract(s) relate(s); and
- (b) in the event of enforcement under Clause 5.6(a), PSL will keep each Lender informed of its progress in enforcing the Security Document(s) concerned, including providing you as Lender with information about possession proceedings and/or the Valuation of the relevant Property or shares or other assets and its or their sale price in relation to any exercise of the relevant power of sale or other enforcement rights under the relevant Security Document(s).

5.7 You as Lender acknowledge that it is possible that the proceeds (if any) recovered as a result of any recovery and enforcement activity specified in Clause 5.6 may not be sufficient to discharge all the relevant Borrower's obligations to you. In that case, you will only be entitled to recover a share of any recovery proceeds, subject to deduction of the costs of recovery (including legal fees and expenses and those of any manager, receiver or administrator appointed by PSL) from the gross proceeds recovered, such that the net amount recovered shall be apportioned according to the proportion that the Loan Amount (as defined in each Loan Contract) under each of your Loan Contracts represented to the Total Loan Amount borrowed by that Borrower in the Tranche to which your Loan Contract(s) relate(s).

5.8 As the Lender under an existing Loan Contract (which is not the subject of an Event of Default or under which any Repayment is not overdue by more than 14 Business

Days (“**Arrears**”), you may irrevocably offer to cancel all your rights and obligations in that Loan Contract, and your related rights and obligations under this Members’ Agreement and any related Security Document(s), in return for another Lender assuming identical rights and obligations under a new Loan Contract with the relevant Borrower and paying to you the specified purchase price and any interest accrued but not paid as at the date of that novation (“**the Total Purchase Price**”) by listing the Loan Contract for sale on the Proplend Loan Exchange via your Proplend Account, giving details of the Loan Contract, in which case:

- (a) that offer to novate the Loan Contract will promptly be listed on the Service Website on the basis of the details you have provided (including the requirement to pay you for any interest accrued since the last interest payment date but not yet paid up to the date of novation);
- (b) Unless and until you withdraw your offer under clause 5.8(a), any other Member who has adequate funds showing as available in their Proplend Account to cover the amount payable under that offer may inform us of their acceptance of it via the feature provided on the Service Website (“**New Lender**”), in which event:
 - (i) your rights and obligations under your Loan Contract (“**the Prior Loan Contract**”) and your related rights and obligations under this Members’ Agreement and any related Security Document(s) are cancelled;
 - (ii) the New Lender assumes under a new Loan Contract with the relevant Borrower identical rights and obligations to the rights and obligations you had under the Prior Loan Contract, pursuant to the Borrower’s continuing consent under Clause 3.12(c)(i) (“**New Loan Contract**”), such that the New Loan Contract replaces the Prior Loan Contract;
 - (iii) we undertake to debit the Total Purchase Price from the New Lender’s Proplend Account and credit that amount to your Proplend Account, such that you will then be entitled to request the transfer of the corresponding funds from the Proplend Customer Funds Account to your Nominated Bank Account under Clause 7.3;
 - (iv) you will pay to us the fee specified in Clause 8.3, which will be debited from your Proplend Account at the time when the outstanding principal is credited to your Proplend Account;
 - (v) we will then record the details of the novation on the Prior Loan Contract which shall become the New Loan Contract; and in the Proplend Accounts of you, the New Lender and the Borrower;
 - (vi) you shall hereby remain liable for, and indemnify and hold harmless the New Lender from and against any loss, liability, claim, demand,

damages, costs and expenses (including reasonable legal fees and expenses) arising out of or in connection with the Prior Loan Contract; and

- (vii) the New Lender shall hereby be and remain liable for, and indemnify and hold you harmless from and against any loss, liability, claim, demand, damages, costs and expenses (including reasonable legal fees and expenses) arising out of or in connection with the New Loan Contract.

For the avoidance of doubt, any Loan Contract which is in Arrears or the subject of an Event of Default will be suspended from the Proplend Loan Exchange pending any change that makes it eligible for novation under this Clause 5.8.

6. Cancellation of this Members' Agreement

- 6.1 If you are a Lender who, for the purpose of entering into this Members' Agreement, makes exclusive use of one or more means of distance communications up to and including the time at which this Members' Agreement is entered into, you shall be entitled to cancel this Members' Agreement within the 14 day period that begins on the day after you enter into it ("**Statutory Cancellation Period**"). However, in the event that you make an Offer during the Statutory Cancellation Period under this Clause 6.1, you will no longer be able to cancel this Members' Agreement (or that Offer).
- 6.2 You may exercise your right of cancellation by emailing us to that effect at notices@proplend.com.

7. Proplend Customer Funds Account

- 7.1 All money you transfer to the Proplend Customer Funds Account or which is otherwise received or held on your behalf shall be held on trust for you by us and treated as Client Money in accordance with the FCA's Client Money Rules. If we were to cease trading, the funds held as Client Money would not be treated as part of our assets. When a Borrower has entered into Loan Contracts, the Client Money representing the proceeds of the Loan Contracts may be paid to the relevant client account of the Borrower's solicitors for the purpose of completing a transaction for which the proceeds of the Loan Contracts are required. Such funds would be held by the relevant solicitors under the Solicitors Regulation Authority client money rules.
- 7.2 You are notified that, in accordance with Rule 7.10.7B of the Client Money Rules, we elected to hold all funds held in relation to Investors under non-regulated peer-to-peer agreements in accordance with the Client Money Rules with effect from 22 April 2016.

- 7.3 Lending or Borrowing through the Service is not covered under the Financial Services Compensation Scheme, but if the bank or credit institution at which the Proplend Customer Funds Account is held were to become insolvent you may be entitled to compensation from the Financial Services Compensation Scheme in respect of any money held in the Proplend Customer Funds Account on your behalf. Further information is available at <http://www.fscs.org.uk>.
- 7.4 Subject to the FCA Client Money Rules, the perpetuity period of any trust arising under this Members' Agreement shall be 125 years. In the event that interest is earned on any amounts held in the Proplend Customer Funds Account, we shall apportion such interest amongst the Lenders and Borrowers on whose money this interest has accrued by crediting their respective Proplend Accounts accordingly on a monthly basis. We shall not keep any such interest earned for our own account.
- 7.5 In the event that there has been no activity on your Proplend Account for a period of at least 18 months, we shall be entitled to take such steps as we consider appropriate, which shall include transferring the money from the Proplend Customer Funds Account to your Nominated Bank Account or sending a cheque to your last-known residence.
- 7.6 You may request us to transfer your funds from the Proplend Customer Funds Account to your Nominated Bank Account, provided those funds have not been reserved for an Offer in accordance with Clause 4.4 of this Members' Agreement.

8. Fees

- 8.1 As a Borrower, you must pay to us a fee specified in the Loan Summary in relation to the work done by us before and after the listing of the Loan Request ("**Arrangement Fee**"), which shall be due and payable on the date on which you accept the Lenders' Offers related to your Loan Request under Clause 3.12(c) but paid at closing (when the Loan proceeds are disbursed).
- 8.2 As a Lender, you must pay to us a fee equivalent to 10% of the interest you receive in relation to your Loan Contracts ("**Lender Fee**"), i.e. a loan of £100,000 at 7.5% p.a. would receive interest of £7,500 p.a. which equals a payment of £625 per month of which PL would charge a 10% fee of £62.50.
- 8.3 In the event of any novation of a Loan Contract under Clause 5.8, the assignor shall pay to us a fee equivalent to 0.5% of the principal outstanding under that Loan Contract ("**Novation Fee**").
- 8.4 Subject to the provisions of Clause 4.4, if you wish to withdraw funds credited to your Proplend Account you will pay to us a fee to cover the administration

associated with that withdrawal in accordance with the then current schedule of fees on the Service Website.

- 8.5 We may waive or offer discounts on any of our fees to any person at any time in our sole and absolute discretion.
- 8.6 We may change any of our fee rates from time to time to reflect legitimate cost increases or reductions in operating the Service or providing any services under this Members' Agreement. We will give you at least 30 days' notice of any change in our fees in accordance with Clause 16. Any such changes in fees will only affect Loan Requests and Loan Contracts made on and after the date on which the change is stated to take effect.
- 8.7 All Fees are exclusive of any applicable Value Added Tax or other taxes, for which the person paying the relevant Fee shall be liable.

The Loan Conditions

1. Introduction

1.1 When an Offer made in respect of a Loan Request is accepted via the Service under Clause 3.12(c) of the Proplend Members' Agreement of which these Loan Conditions form part (the "**Members' Agreement**"), a loan contract is created exclusively between the Lender and Borrower ("**Loan Contract**"), which is made up of:

- (a) these Loan Conditions;
- (b) the terms of the Loan Request;
- (c) the terms of the Offer (entered by the Lender via the Service Website),

and a summary is also produced of certain details from all such Loan Contracts entered into by the Borrower in relation to that Loan Request ("**Loan Summary**"), including the total amount borrowed by the Borrower under all such Loan Contracts ("**Total Loan Amount**"), the duration of the Loan Contracts ("**Term**"), the total amount repayable under the Loan Contracts including interest and fees ("**Total Amount Repayable**") and the total amount of each of the repayments of interest and principal due under each Loan Contract ("**Repayment**").

1.2 Capitalised terms used in these Loan Conditions that are not otherwise defined where they appear shall have the meaning given to them in Clause 13 of these Loan Conditions.

2. Loan Disbursement, Repayments and Interest Reserve

2.1 The parties acknowledge that in respect of each Loan Contract, Proplend will pay the corresponding Loan Amount into the Borrower's Nominated Bank Account (or as otherwise stipulated in the Loan Contract), less:

- (a) the amount of any fees owed by the Borrower under Clause 5 of these Loan Conditions;
- (b) the relevant Interest Reserve being held in the Proplend Customer Funds Account pending any claim by the Lender in relation to any missed Repayment; and
- (c) the amount required to discharge any existing indebtedness of the Borrower that the Loan Amount was intended to discharge (which amount shall be paid by Proplend to the relevant creditor or its legal representative).

2.2 The Borrower agrees to repay the Lender the Total Amount Repayable at the times and in the Repayments shown in the Loan Summary. Prompt payment is essential and time shall be of the essence. If the Borrower is late in paying a Repayment (whether interest or principal), the Lender will have the right to make demand upon and enforce the Loan Contract and interest will continue to accrue on any unpaid amount then due and payable at the agreed Rate of Interest in accordance with Clause 3 of these Loan Conditions until it is paid.

2.3 The Borrower's obligation to make Repayments to the Lender will be satisfied by making the Repayments to the Proplend Customer Funds Account.

2.4 All Repayments shall be made in full, without set-off, counterclaim or condition, and free and clear of, and without any deduction or withholding, provided that, if the Borrower is required by law or regulation to make such deduction or withholding, it shall:

- (a) ensure that the deduction or withholding does not exceed the minimum amount legally required;
- (b) pay to the relevant taxation or other authorities, as appropriate, the full amount of the deduction or withholding;
- (c) furnish to the relevant Lender, within the period for payment permitted by the relevant law, either:
 - (i) an official receipt of the relevant taxation authorities concerned on payments to them of amounts so deducted or withheld; or
 - (ii) if such receipts are not issued by the taxation authorities concerned on payment to them of amounts so deducted or withheld, a certificate of deduction or equivalent evidence of the relevant deduction or withholding; and
- (d) pay to the Lender such additional amount as is necessary to ensure that the net full amount received by the Lender after the required deduction or withholding is

equal to the amount that the Lender would have received had no such deduction or withholding been made.

2.5 Each Repayment paid by the Borrower will be pro-rated among all the Loan Contracts to which the Repayment relates and be used:

(a) first to pay any Arrears on the Loan and any administration charges or other fees due under or in relation to the Loan Contract; and

(b) then to pay the current interest and principal due in respect of the Loan Amount.

If the Borrower makes an over-payment in respect of monthly interest due (rather than early repayment under Clause 4 of the Loan Conditions), for whatever reason, the amount overpaid will not be allocated against the outstanding loan principal but shall be credited to the Borrower's Proplend Account and the corresponding funds held in the Proplend Customer Funds Account in accordance with Clause 7 of the Members' Agreement until earlier of (a) the date on which it is withdrawn by the Borrower or (b) the final Repayment date, when any such remaining overpayment amount shall be credited against the balance then outstanding.

2.6 If the Borrower misses a payment or only partially pays any amount due under the Loan Contract, the Lender authorises Proplend or the Collections Agency, acting on the Lender's behalf, to contact the Borrower to take steps to procure the payment of an amount equivalent to the outstanding amount and any additional fees and charges due under or in relation to the relevant Loan Contract and:

(a) the Lender concerned will automatically make a claim against the Interest Reserve for the amount of the interest component of any missed Repayment(s); and

(b) Proplend may make a payment from the Interest Reserve to the Lender in respect of the interest component of the missed Repayment(s),

in accordance with the Priority.

2.7 In the event of the occurrence of any Event of Default under Clause 4.2 of these Loan Conditions, PSL shall enforce all or any of the Security Documents for the benefit of the Lender in accordance with the provisions of Clause 5.6 of the Members' Agreement.

2.8 The Lender acknowledges that it is possible that the proceeds (if any) recovered as a result of any recovery and enforcement activity specified in Clause 2.7 may not be sufficient to discharge all the relevant Borrower's obligations under the Loan Contract. In that case, the Lender will only be entitled to recover a share of any recovery proceeds, subject to deduction of the costs of recovery, according to the proportion that the Loan Amount (as defined in each Loan Contract) represented to the Total Loan Amount borrowed by that Borrower in the Tranche to which the Loan Contract relates.

2.9 In the event that the Lender successfully makes a claim for payment out of the Interest Reserve (other than under Clause 2.10 of these Loan Conditions), the Borrower shall immediately on demand pay into the Interest Reserve an amount equal to the amount paid to each Lender in respect of that claim, so that the amount of the Interest Reserve remains equal to the number of Repayments specified in the Special Conditions of the Loan Contract.

2.10 Provided that the Loan Contracts are not the subject of any breach, in the event that only three monthly Repayments of interest or one quarterly Repayment of interest remain to be made under each Loan Contract (as the case may be), and there are no Arrears owing or other costs and fees owing thereunder, Proplend will distribute to the Lender the Lender's pro rata share of half the Interest Reserve as each remaining Repayment falls due and apply the balance of the Interest Reserve to repayment of the principal at the end of the Term. In the event that the principal is not repaid on the date of the expiry of the Term, the Interest Reserve will be distributed in payment of interest accrued on the Lender's unpaid principal (and any remaining amount of Interest Reserve at the date of repayment of the principal will be applied to repayment of the principal at that time).

3. Interest

The Borrower agrees to pay the Lender interest on the Loan at the agreed Rate of Interest. Interest on the Loan shall be calculated from the date on which the Loan Contract is created under Clause 1 of these Loan Conditions at the outset for the whole period of the Loan and be stated in the Loan Summary. Interest shall be paid in accordance with the Repayments, as specified in the Loan Summary. If any Repayment (whether interest or principal) is in Arrears or if an Event of Default occurs (as described in clause 4 of these Loan Conditions), the interest payable by the Borrower on the Repayment in Arrears or (where there has been an Event of Default) the principal of the Loan outstanding shall automatically increase to 150% of the agreed Rate of Interest from the date on which the relevant Repayment was due until it is paid, or from the date on which the Event of Default occurs until the date on which all outstanding amounts under the Loan Contract are paid.

4. Early Repayment or Cancellation and Termination

4.1 Should the Borrower wish to repay a Loan early, it may do so in whole or in part by following the instructions in its Proplend Account. On an early repayment, interest on the amount repaid early will be charged to the date on which the early repayment is made, subject to any early repayment charge specified in the Loan Summary ("**Early Repayment Charge**"). If the Borrower wishes to cancel a Loan prior to drawdown, the Borrower must pay any interest accrued under Clause 3.1 as well as any Early Repayment Charge. Any partial early repayment under this Clause 4.1, any amount paid on cancellation or any repayment required on the sale of Property under Clause 4.8 of the Members' Agreement shall be distributed according to the Priority, and when allocated to each relevant Tranche the relevant amount of the early repayment (and the Early Repayment Charge) shall be apportioned according to the proportion that the Loan Amount (as defined in each relevant Loan Contract) represents to

the Total Loan Amount borrowed by that Borrower in the Tranche to which the Loan Contract(s) relate(s).

4.2 Without prejudice to the rights in Clause 2.2, the Lender may terminate the Loan Contract and demand repayment of the full Loan Amount together with all any other amounts due pursuant to the Loan Contract in relation thereto including, without limitation, interest, costs and expenses if any one or more of the following events occur (each, an “**Event of Default**”):

- (a) two or more consecutive Repayments (of interest) are in Arrears; or
- (b) five or more Repayments (of interest) are in Arrears; or
- (c) any Repayment (of principal) remains in Arrears for 90 days; or
- (d) the Borrower has provided false information which affected the decision to allow the Borrower to borrow via the Service or to register for the Service; or
- (e) the Borrower has breached any provision of the Loan Contract or the Members’ Agreement not otherwise specified in Clause 2.2 or this Clause 4.2 and failed to remedy that breach within 14 days of receiving a written notice to do so; or
- (f) if the LTV exceeds the LTV Limit at any time during the Loan Term; or
- (g) if the Interest Cover falls below the Interest Cover Limit (if any) on any date on which a Repayment is due and payable; or
- (h) the Borrower has breached the terms of any Security Document between the Borrower and Proplend Security Limited and has failed to remedy that breach within 7 days of receiving a written notice to do so; or
- (i) the Members’ Agreement is terminated for any reason under Clause 13 of the Members’ Agreement; or

(p) the Borrower or any person who has provided a guarantee for the Loan or any part of the Loan, being an individual, makes a voluntary arrangement with anyone that they owe money to, dies, becomes bankrupt or is legally declared by a court or relevant authority to have become non compos mentis; or

(q) if any corporate body which has provided a guarantee for the Loan or any part of the Loan makes a voluntary arrangement with anyone that it owes money or any of the Events of Default detailed above occur in relation to it; or

(r) a merger, share exchange or similar transaction occurs in which the holder(s) of a majority of the shares, rights or interests in the Borrower (in the case of any type of partnership) or of the outstanding equity securities of the Borrower or the Borrower's ultimate direct or indirect parent corporation or holding company immediately prior to such transaction hold less than a majority of the outstanding equity securities of the surviving or successor corporation immediately following the closing of such transaction; or

(s) the Borrower sells, assigns or transfers all or substantially all of its assets or those of its ultimate direct or indirect parent corporation or holding company; or

Log files are not cookies; they do not contain any personal data; and they are not used to identify your personal use of the Service. When you request any web page from the Service, web servers automatically obtain your domain name and IP address, but they reveal nothing personal about you and that data is only used to examine Service traffic in aggregate, to investigate abuse of the Service and its users, and/or to cooperate with law enforcement. Such data is not disseminated to third parties, except in aggregate.

- How do we use cookies?

We use cookies in order to ensure our Service functions correctly and to improve our understanding of how you use the Service in order to make improvements. Cookies cannot harm your computer.

- What cookies do we use?

Firstly, we explain what each type is and then, in the table below, we have stated which types we actually use.

In general, there are four different types of cookie.

- **Necessary cookies:** those required for the operation of the Service, which do not gather information about you that could be used for marketing or remembering where you have been on the internet.
 - **Analytical/performance cookies:** these allow us to collect information about how you use the Service, such as, how you move around our website and if you experience any errors. These cookies do not collect personal data. The information collected is anonymous and is only used to help us improve the way the Service works, understand what interests our users generally and measure how effective our advertising is. Some of the performance cookies we use are issued as part of services provided by third parties, like Google Analytics.
 - **Functionality cookies:** these are used to provide services or to recognise you when you return to our website. These would enable us to personalise our content for you, greet you by name and remember your preferences and improve your visit.
 - **Targeting cookies:** these record your visit to the Service, the pages you have visited and the links you have followed. They are linked to services provided by third parties, such as "Like" and "Share" buttons. The third party provides these services in return for recognising that you have visited our website and are subject to the privacy policy of the third party who set them (e.g. a social media or network service). The third party may subsequently use information about your visit to target advertising to you on other websites and present you with advertisements that you may be interested in.
- How do I manage my cookie settings

Please note that configuring your computer and/or mobile browser to reject 'necessary', 'performance' or 'functional' cookies may severely impact your experience on our website and some parts of the Service will not function at all.

All browsers provide tools that allow you to control how you handle cookies: accept, reject or delete them. These settings are normally accessed via the 'settings', 'preferences' or 'options' menu of the browser you are using, but you could also look for a 'help' function or contact the browser provider. If you are unsure as to how to manage your cookies, please see the following links to view instructions for the most commonly used web browsers:
