FACT SHEET

Status:	Sold
Acres:	48.93

Begin and end each day with panoramic views of a hardwood lined peninsula with a 120-acre lake. This spacious, custom built 5BR/5BA, 5000 +/- sq. ft. home is spectacular inside and out with the finest details. These details include hardwood floors, coffered ceilings in the great room, a stone fireplace, granite counter tops, custom window seats and a three-car garage with a plumbed and wired loft. This home has a deep wrap around covered porch with corner gazebos perfect for outdoor entertaining. Enjoy year-round boating and fishing from your private pier that sits overlooking your 3700 +/- feet of waterfront shoreline. Call Scott Sullivan today!
