

# SIGNS OF THE TIMES COMMEMORATIVE SIGNS

As a specialist commemorative sign maker we can assist you whether it's an historical event or an ancient building you wish to commemorate.

## Materials

Signs cast in polyurethane, aluminium, bronze and brass. Etched 3mm thick aged bronze with the letters filled cream. Composite signs made of engraved bronze and cast polyurethane such as the Biggleswade example.

## Shapes & Sizes

Any shape or size is possible. Circular and oval signs are very popular but often the text and motif content dictate the best shape. Memorial signs are often made to match an existing sign that may be 100 or more years old.

## Finish & Appearance

Letters, border, logos, motifs and complicated coats of arms are all realised in relief with a sand cast texture background. Polyurethane castings are painted whilst bronze cast signs are lightly acid etched with the relief areas lightly polished.

## Design & Artwork

Clients are encouraged to send us any artwork, size and shape details at an early stage so that we can assist in the design. Our experienced designers can often work from thumbnail sketches, drawings and photographs to achieve your design.

## Fixings

For an enquiry please call us on 01525 874185 or email us at [enquiries@sott.co.uk](mailto:enquiries@sott.co.uk)

We are always pleased to chat with our customers.
