

Dedicated to making the difference

At RM Education, we only make computers that are specifically designed for education. So you can expect desktop and mobile devices that are robust and high-performing, with built-in quality and reliability that ensures long-lasting investment and great value for money.

We know that excellent products and enjoyable learning experiences make life better for everyone. So we only offer the highest-quality computers, purpose-built to meet your specific requirements right here in the UK.

Designed for
education,
then customised
for you!

WIN **£15,000**
of RM PCs!
see back page for details

Your PC,
simplified.

We also understand the importance of simple set-up, maintenance and ongoing support – for the lifespan of each product. That's why we deliver a host of added-value services as standard. If you ever need help, our award-winning support desk and technical experts are always available. Meanwhile, our ecoquiet technology can help you reduce your energy bills and your carbon footprint too.

This is just a taste of the quality that makes a real difference...
