

# SCOTIABANK CALGARY MARATHON KIDS MAP

We request that all children 5 and over run without parents. Children 5 and under may run with one parent. There are many great viewing locations along the course to watch your child run. Once your child crosses the finish line they will enter the "kids finish corral" where they will receive a medal and snack and be released into the "Parents Corral". Please go to the "Parents Corral" to pick up your child. You will require your matching race bib to exit this area. In the unlikely event that you cannot find your child, there will be a volunteer with a large "Lost Child" sign to help you reunite with your child.
