HAPPY 40TH BIRTHDAY 5TH NEW FERRY BROWNIES!

Guides from Hinderton were challenged to bake a cake out of doors on their recent camp at Hadlow. Here are the results!

5th New Ferry Brownies held their 40th Birthday celebration in the middle of April by having a Church Parade at St John's New Ferry followed by refreshments in the Church hall where they meet weekly.

There were old uniforms to be seen as well as lots of photos from the past. A large cake was shared by all present and the Brownies thanked their Leaders who freely give up their time to help the girls become young women with values such as sharing, caring for others and doing 'good deeds'.

They also then had a fun evening at Adventure Land in New Brighton instead of their usual activities that week!
