

The Bottom Line

June 2019

BIG ANNOUNCEMENT!

Nothing has changed...

Yes! We would like you to know that whilst you may see a change of contact name on your investment documentation, nothing has really changed. As we grow we must ensure that we maintain our quality of customer service and to this end Mike is managing more of the annual reviews to enable better time management across the business.

Please call in for a brew - our door is always open!

If you have any queries - whatsoever - please email us at advice@northernstarifa.co.uk and we will ensure the appropriate person responds swiftly.
