CONCRETEREADY™ CONCENTRATED CLEANER/DEGREASER

H&C® CONCRETEREADY™ Concentrated Cleaner Degreaser increases any coating's ability to bond with the surface. This heavy duty cleaner will remove oil, grease, brake and transmission fluid and antifreeze.

PRODUCT INFORMATION:

Description	SKU#	UPC#	Pack
1/2 Gallon — Clear	50.170015-15	035777230053	4

FEATURES & BENEFITS:

- Extra heavy duty power to remove grease and oil stains
- Prepares surface for staining or sealing
- Increases penetration of H&C® coating
- Use full strength for tough stains or diluted for milder cleaning

RECOMMENDED USES

- Concrete floors
- Driveways
- Patios
- Walls
- Walkways
- Pool decks
- Masonry

CONCRETEREADY™ PHOSPHORIC ETCHING SOLUTION

Amazing concrete projects start with H&C® Phosphoric Etching Solution. The phosphoric acid-based solution opens the pores of the concrete so H&C® Concrete stains and sealers can bond properly with the surface.

PRODUCT INFORMATION:

Description	SKU#	UPC#	Pack
1 Gallon — Clear	50.160004-16	035777230046	4

FEATURES & BENEFITS:

- Prepares surface to be coated by opening the pores of the concrete
- Increases bond of H&C concrete coatings
- Sprinkle on – hose off
- Biodegradable – will not harm vegetation

RECOMMENDED USES

- Concrete floors
- Driveways
- Patios
- Walkways
- Pool decks
- Masonry
- Walls

CONCRETEREADY™ SINGLE-COMPONENT QUICK PATCH AND REPAIR

Get concrete back to working order easily and quickly with H&C® CONCRETEREADY™ Single-Component Quick Patch and Repair. Single-component, cement-based patching compound will restore your concrete as fast as possible.

PRODUCT INFORMATION:

Description	SKU#	UPC#	Pack
5 lb. Bucket — Clear	60.100709-99	035777230060	4

FEATURES & BENEFITS:

- Single-component, cement-based patching compound
- Quick and easy application – final setup time is 15-30 minutes
- Provides a workable, no-slump patch
- May be used to repair above-or below-grade concrete
- Produces a bond stronger than the surrounding concrete

RECOMMENDED USES

- Driveways
- Garage floors
- Patios
- Pool decks
- Basement floors
- Steps
- Sidewalks
