Friendship Week

We had a special 'Friendship Week' in school last week where we all thought about what makes a great friend and the importance of kindness and encouragement. Year 4 Scribbleboy celebrated with a 'Friendship and Forgiveness Party.' In one activity, they all wrote what they like about each other on their backs then every child could read about all the good things their classmates think about them.

Eltham Lights Up 2018

A big thank you to Caroline who gave our children the opportunity to participate in the Eltham Lights Up parade this year. Year 5 had a special lantern making workshop in school and many children and families represented the school brilliantly on the parade itself. Everyone really enjoyed the event

Children in Need 2018

The children had great fun last Friday wearing their pyjamas to school and altogether we raised a wonderful £400 for this wonderful charity. Well done everyone!

Governor Focus Visit - Meta-cognition

Our Governors often come in to school to learn more about what we are doing. Last Wednesday, Mrs Lewis led a focus visit all about metacognition which includes the ways we encourage the children to better understand themselves as learners. Governors observed a 'Let's Think' session in Year 3 and a Maths challenge in Year 4. The children showed off their excellent thinking skills and resilience and our governors were very impressed by their respect for one another and their fantastic ideas.
