

NCFE CACHE Level 2 Certificate in Information, Advice or Guidance

**FREE
COURSE!**

This qualification is designed for those people who have worked in, or are looking to work in an information, advice or guidance role. It aims to develop the learner's knowledge and understanding of the key principles of information, advice or guidance and applying these within their own context.

The objectives of this qualification are to prepare learners for further training and to support a role where learners may give initial information, advice or guidance to others. This is a fantastic opportunity to develop your knowledge, whilst gaining a nationally recognised qualification.

Benefits:

- ✓ Achieve a nationally recognised professional qualification
- ✓ Improve your prospects of finding employment within the Information, Advice and Guidance Industry
