## ENVIRONMENTAL POLICY STATEMENT

**CD&P Limited** seeks to achieve excellence in all aspects of its business, and is committed to minimising its environmental impact whilst conducting its business operations.

To achieve the aims of its Environmental Policy, CD&P Limited will:

- Reduce the consumption of all resources and improve efficiencies wherever possible.
- Manage waste generated from its business operations according to the three essential principles of: **1. Reduction 2. Re-use 3. Recycling.**
- Manage its business operations to prevent pollution.
- Ensure that environmental criteria are taken into account in the procurement of all goods and services.
- Comply with all relevant environmental legislation as well as other environmental requirements.
- Communicate (internally and externally) its Environmental Policy and performance, and encourage feedback.
- Communicate the importance of environmental issues to all its employees.
- Work together with clients, stakeholders, supply chain partners and contractors to encourage a joint-commitment toward improved environmental performance.
- Review its Environmental Policy regularly.
