Manifesta 13 Marseille

Manifesta produces one of the world's most influential arts events investigating and catalyzing positive social change in Europe through contemporary culture. We address actual and critical issues, bringing together local communities, governments, creators and international stakeholders to co-create fruitful alliances and leave a long-standing impact in the host city.

We are supported by a passionate community of individual patrons, sponsors, and funding bodies. In 2020, Manifesta will take place in the city of Marseille for its thirteenth edition. In order to execute our world-class program of new, city-specific commissions of artworks, full run of public programs and comprehensive education and community engagement, we need the generous support of contributors like you.

Whether you come from Marseille or elsewhere, whether you are an art lover, a collector or simply sensitive to the important challenges of our society, please consider joining a dynamic and passionate group of international patrons supporting Manifesta for consecutive years.

If you are a French resident, you benefit from a tax reduction of 66% of your donation, up to a maximum of 20% of your taxable income.
