YEARS
EXCELLENCE

For more than 40 years, we have provided our customers with high quality, high performance mobile computers, specialist receipt and label printing solutions, POS hardware and ePOS systems.

Expertly navigating the ebb and flow of the ever-changing economic tide, Maxatec has stood for innovation and reliability since 1971. No other company can exceed our capability for providing the best products and custom solutions or our knack of evolving quickly to meet our customers' needs.

Quality and service in partnership

Maxatec holds ISO 9001:2008 certification for quality management and has a network of specially selected resellers spanning the UK, Europe, the Middle East, and Africa that uphold our high standards. We take pride in our strong supplier partnerships with select manufacturers, independent software vendors, value-added resellers, managed service providers and systems integrators. We choose our partners for their expertise, knowledge, reliability and firm financial footing.

This unique partnership network enables the delivery of cost-effective, highly efficient solutions that provide maximum return on investment. This is important in today's markets where price can be a deciding factor for any purchase, and by selecting Maxatec customers benefit from the best value products with excellent service and support.

Competitive brands and solutions

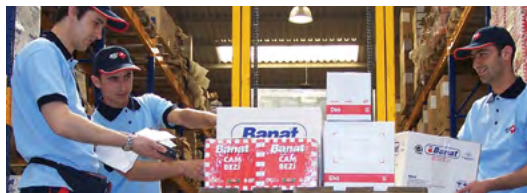

To provide best value and high quality, Maxatec has consistently offered a carefully chosen portfolio of products. Today, these comprise innovative and reliable technologies from some of the best UK and foreign manufacturers, including Bluebird 'Pidion', CognitiveTPG, NCR, Datamax-O'Neil, TSC, Sewoo, Hoefft & Wessel 'Skeye', Catchwell, Arbor and HandPoint.

With our breadth of product offerings, we are able to focus on providing the best hardware and software for Public Transport and Ticketing, Transport and Distribution, Warehousing, Parcel Delivery, Label Printing, Retail, Hospitality, Healthcare and Utilities markets. Wherever there is a need for robust mobile computing, specialist printing or automatic identification systems, Maxatec will be able to provide a solution.

Maxatec your strategic partner

Maxatec goes a lot further than simply supplying innovative products. We provide a variety of warranty service options across the entire range and we can tailor these to suit your exact requirements. In addition, we guarantee to provide our customers with the highest level of pre- and post-sales support for their projects. We have a close working, well-trained, experienced, and highly focused team of product specialists ready to assist our customers. Our technical service capabilities, including product consultation, helpdesk, repair and maintenance services, professional services, configuration capabilities and readily available, regularly updated firmware drivers sets us apart from the competition.

Finally, we believe our service promise is the most robust you will find anywhere in the technology market. Why not contact us today to find out more about how we can help you.
