TOOLING

Tooling

Lockbolt (ERS) Ltd provides a comprehensive tooling range to install Lockbolts, Blind Fasteners and Rivets.

We offer both pneudraulic and hydraulic tools to install fasteners from 4.8mm (3/16") up to 34.9mm (1-3/8") diameter.

In addition to our installation tools we offer a comprehensive stock of nose assemblies and replacement parts as well as providing a full service and maintenance facility for your existing tools.
