

Fairies and Elves Experience

by Ian Pickering Photography

“Where magical fairy wishes come true”

FAQ's

Some commonly asked Fairy associated questions answered here, but if you do have any others do please message us.

*** Is it just for girls?**

Not at all! Most of our visitors are girls but little elves are also welcome and they can also enjoy the experience

*** I have more than one child, can they come together?**

Yes of course! We can accommodate up to Three children on to our set so brothers and sisters can be booked into the same session. It's also a lovely experience for best friends to enjoy together too. In joint sessions the children will have some pictures taken together, as well as some individually.

*** What do we need to bring?**

Nothing special! We have a selection of beautifully handmade dresses and elf costumes to choose from, with amazing wings and hair garlands to help them look and feel the part.

*** I have a child under three, can they come too?**

You're welcome to bring younger siblings along to the experience but the design of the set and the fairyland experience is NOT suitable for under threes so they would not be able to join in.

This is mainly due to safety reasons and there are lots of props and we wouldn't want them getting hurt, but they can also find it tricky to follow the story and therefore don't enjoy the experience as much.

*** How much does it cost?**

There's a £50 fee to secure your booking and that includes a £30 credit towards any purchases.

The fee is the same for up to three children when booked into the same session.

*** How much are the images?**

There's a wide range of prices depending whether you order printed, digital, albums, or wall art.

Prices start at £40. Our largest Package is £455 to include a beautifully bespoke Fairytale Storybook and all the high resolution digital files. There's lots of options in between.

*** Do I have to buy the images?**

There's absolutely no pressure or obligation to buy anything. We'll show you the images and you're free to choose as many or as few as you like.

*** How do I choose the images?**

You'll be invited to come along to our viewing room where the images will be projected onto a large screen for you to see, using our specialist software we'll guide you through the process of selecting your favourites. This will take place at our studio at 27 Leicester Road, Sharnford, Leicester, LE10 3PP where we have a selection of the products on display for you to look through.

*** How long does it take?**

We allow up to one hour for the experience, to include changing and the photoshoot. The viewing will take 30-45 minutes.

*** When will I get my photos?**

Please allow 7-21 days, depending on the products ordered. You'll be given the option to come back to collect them when they are ready or for a small additional charge we can ship the them to you.

*** Do you take credit card payment?**

Yes, payment can be made by cash, credit or debit card.

*** Where do I need to go?**

Our Enchanted Fairyland is a large set with props, backdrop and studio lighting which takes a full day to put up. It is not very portable, so will only be available on certain dates which you can pre- book in advance. We have these events either at our studio - 27 Leicester Road, Sharnford, Leicestershire, LE10 3PP, OR at the Magnificent surroundings of Coombe Abbey Hotel, Brinklow Road, Coventry, CV3 2AB. Look out for the specific event details as advertised.

*** What happens to the images afterwards?**

You are free to share images you have purchased on social media if you wish. We won't publicly share any images of your children without your permission. Any images you do not purchase at your viewing will be deleted from our system with one month.

*** Will you pass my details onto anyone else?**

We will never pass on your details to anyone outside our organisation. We only use your personal information to process your booking and orders.
