

# Fire Investigation

FIRE Consultancy Ltd, is Fire Investigation Risk Evaluation Consultancy Ltd. "Its all in the name"

Established 2015 to provide a specific, bespoke and high quality services providing Fire Investigation and Risk Evaluation worldwide by independent highly qualified and experienced technical experts

## What we will do

Fire prevention can often mean investigation of an event providing an understanding to the circumstances leading up to the fire occurrence.

F.I.R.E. Consultancy Ltd is available whenever such an occurrence takes place and attendance at the fire scene is essential to help gather evidence. Fire Investigation can also be undertaken post event using scientific methodology identifying the likely facts of the fire origin and growth development.

Free initial consultation is available please contact [info@fireconsultancy.co.uk](mailto:info@fireconsultancy.co.uk) or Jason +44 (0) 7803 518 035

Fire investigation report offers:

**Detailed report offers but not limited to**, illustrating the incident, likely circumstances upon which ignition took place, fire growth and development and possible methods of preventing a reoccurrence.

Working with you to make your environment safer!
