Tel. 01926 812 060

From our factory in Warwickshire in the Midlands we have been manufacturing our exclusive range of affordable, high quality spiral stairs since 1987. We supply to both to private and commercial customers throughout the UK and the rest of the world.

Our spiral stairs are individually handmade from a range of materials such as cast iron, steel, hard wood and stainless steel to your specific requirements and our technical department can advise you on any spiral stairs required to meet Building regulations BS5395.

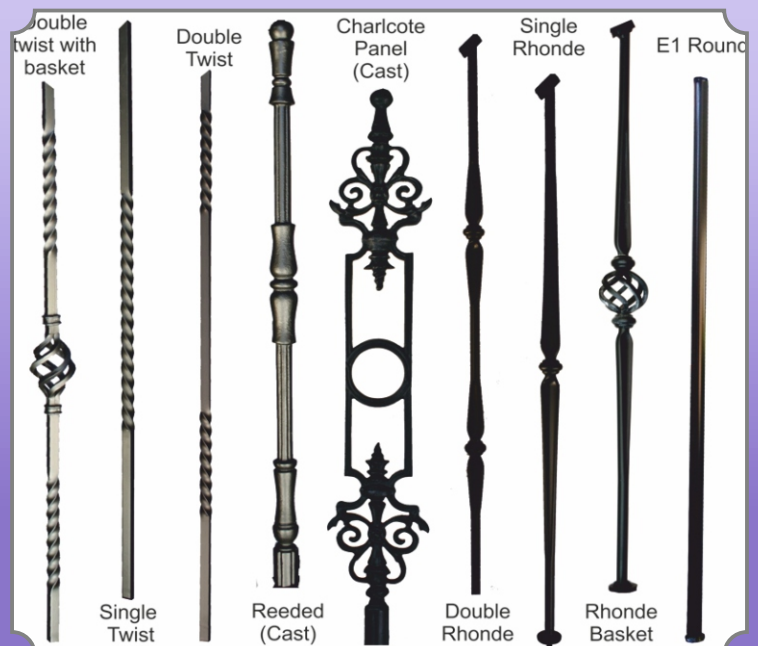

The Victorian range

The Victorian Cast Iron Stair range is available in 3 different diameters, 1067mm, 1370mm and 1830mm. All treads can accommodate 1,2 or 3 balusters and all treads are machined to suit any floor to floor height at no extra cost.

A range of balusters are available to create a unique decorative feature in any home or commercial building.

Supplied as standard in a hard wearing black or white paint finish. We are also able to offer the full range of RAL colours.

Elite Balusters

Treads and landing plates

This beautiful example is a 1370mm diameter Victorian Cast Iron Stair with 1 Rhonde with Basket and 2 Rhonde balusters per tread. This internal stair provides access to a mezzanine balcony with Elite balustrading, all finished in our standard eggshell black paint.

The Victorian range

The Victorian range are suitable for internal or external use. Every stair is finished in a strong resilient resin based paint.

Our standard colours are Black and White, however, for a small additional charge we are happy to finish your Victorian stair in any of the RAL colour range.
