

APC Overnight Acceptable Goods for Carriage

Priority Express can collect and deliver most types of goods excluding Dangerous Goods, firearms, explosives, living creatures, cash or bullion.

In addition, APC Overnight will not carry the following items: -

- White goods (ie: washing machines tumble dryers, freezers)
- Filing cabinets
- Pallet deliveries
- Surfboards
- TV or monitors over 42"
- Trees or plants (unless completely boxed)
- Mattresses
- Cycles (unless completely boxed)
- Vehicle parts (unless completely boxed)
- Worktops or signs requiring a two man lift
- Any consignment with bare metal exposed

The maximum dimensions of any single item for the parcel service are provided on the attached APC Overnight Product Parameters chart for your reference. It should be noted that at peak operational times, a 2-3 day service may be provided for XS or Non-Conveyorable items.

XS Consignments

The XS service must be used for all consignments where any single item exceeds 2.05m with no other dimension in excess of 30cms or the weight of any single item exceeds 30 Kgs.

Non-Conveyorable Consignments

A Non-Conveyorable charge of £4.00 per item will be applied to all consignments which exceed the dimensions on the attached APC Overnight Product Parameters chart.

All business undertaken is subject to our Terms and Conditions of Business, copies of which are freely available on request.
