

FSS PROGRAM INTEREST FORM

Westbrook Housing is currently recruiting Housing Choice Voucher (HCV) participants who are interested in developing a personal plan for increasing their household income through a program of supportive services, education, and employment assistance. You must be leased in the HCV Program to actually enroll.

If you are interested in the FSS Program, please complete and return this portion to

I have read the FSS brochure and am interested in learning more about the FSS Program. I understand that this does not obligate me to nor enroll me in the program, but I will receive a phone call and/or email from the FSS coordinator to further discuss this program and determine the potential benefits to my household. This is a voluntary program that does not affect my eligibility for the HCV Program.

Family Self-Sufficiency (FSS) Program

The FSS Program is designed to help families with Housing Choice Vouchers establish savings accounts and assist in finding stable employment that will lead to self-sufficiency.

It is an opportunity to invest in your future —whether you want to finish school, find a job and/or a better job, or start a business.

Participation in the FSS Program is voluntary. If you choose to participate, you will sign a five-year contract and develop a personal plan for becoming self-sufficient. After signing the contract, it is up to you to work toward your goals with the support of the FSS Coordinator.

You cannot lose your Housing Choice Voucher (HCV) because you participate in the program. If you continue to meet the eligibility requirements for the HCV Program, it will be available.
