2. Introduction and scope

2.1 This Agreement is made between Churchill and the Supply Chain Vendor under which Churchill agrees to purchase the Works from the Supply Chain Vendor and the Supply Chain Vendor agrees to provide the Works in accordance with the terms and conditions of this Agreement as may be amended from time to time. No variation to these terms and conditions will form part of this Agreement unless made and accepted by Churchill in writing.

2.2 These terms and conditions will apply to the exclusion of any other terms or conditions contained in any other document and/or other communication (whether received prior to or subsequent to the issue of this Agreement) or which are implied by trade, custom, practice or course of dealing used by the Supply Chain Vendor. The provision of any order confirmation and/or acknowledgement and/or the provision of the Works shall constitute acceptance of the terms and conditions of this Agreement.

2.3 The benefit (subject to the burden) of an order placed by way of a Contract Form may be taken by any Group Company and these terms and conditions may be enforced by any of them, in each case either as principal or as the duly authorized agent for any of the other Group Companies. This is done to assist the effective processing and administration of each Contract Form and does not in any way affect the Supply Chain Vendor's rights.

2.4 The terms and conditions of this Agreement shall apply to the supply of both Goods and Services (Works) in so far as they are applicable to the provision of such services.

3. Works

3.1 The Works shall be provided in the quantities, by the times and at the locations set out in the Contract Form or otherwise agreed with Churchill in writing and Churchill shall not be obliged to accept any incomplete delivery or any Work in excess of the amounts ordered.

3.2 The Supply Chain Vendor shall be the non-exclusive supplier of the Works to Churchill for the term of the Agreement.

3.3 Unless specifically provided for in the Contract Form, the Supply Chain Vendor shall ensure that the Works are fully compatible with Churchill's equipment and/or property.

Purchase Terms & Conditions v6

CG-F-49B

3.4 The Supply Chain Vendor acknowledges that Churchill relies on the skill and judgment of the Supply Chain Vendor in the supply of the Works and the performance of its obligations under the Agreement.

3.5 The Supply Chain Vendor shall not depart from the Agreement unless the Supply Chain Vendor has obtained Churchill's written approval to do so. The Supply Chain Vendor shall make any reasonable amendments to the Works required by Churchill and, unless agreed in writing by Churchill, any such amendments shall not increase the Price. If Churchill requires an amendment to the Agreement that would result in a reduction in the Price, the Supply Chain Vendor shall notify Churchill of the resulting reduction in the Price and shall pass on the monetary value of any such sum, amount or any other benefit received directly to Churchill by way of a cost reduction under the Agreement or a cash payment to Churchill. The parties agree that Churchill may request from the Supply Chain Vendor written evidence assessing the reduction in the Price resulting from the amendment and/or showing how the reduction in the Price was calculated and that it was calculated on a fair and reasonable basis.

3.6 Where the Supply Chain Vendor is to provide formal progress reports to Churchill under the Agreement, the Supply Chain Vendor shall provide such reports at the times and in such form as may be specified by or as otherwise requested by Churchill. The submission and acceptance of progress reports shall not prejudice the rights of Churchill under any other provision of the Agreement.

3.7 The Supply Chain Vendor shall be deemed to have satisfied itself as regards the nature and extent of the Works, including but not limited to the time necessary to complete the Works, access to the location(s) where the Works are to be provided or performed, and the personnel and equipment necessary to provide or perform the Works.

3.8 The Supply Chain Vendor shall at all times in its performance of the Works, act in accordance with any relevant specification, law or regulatory requirement and shall supply, where relevant and appropriate, a certificate of conformance with any relevant specification confirming conformance with all appropriate regulatory approvals and health and safety requirements.

3.9 The Supply Chain Vendor shall at all times in its performance of the Works have regard to the good reputation of Churchill and shall use its best endeavors in performing the Works so as not to damage Churchill's reputation, goodwill and/or custom.

4. Provision of the Goods

4.1 The Supply Chain Vendor shall ensure that the Goods shall:

- a) correspond with their description and any applicable Goods Specification set out in the Contract Form;
- b) be of satisfactory quality (within the meaning of the Sale of Goods Act 1979) and fit for any purpose held out by the Supply Chain Vendor or made known to the Supply Chain Vendor by Churchill, expressly or by implication, and in this respect Churchill relies on the Supply Chain Vendor's skill and judgment;
- c) where applicable, be free from defects in design, materials and workmanship and remain so for twelve (12) months after delivery; and
- d) comply with all applicable statutory and regulatory requirements relating to the manufacture, labelling, packaging, storage, handling and delivery of the Goods.

4.2 Unless otherwise stated in the Contract Form, where the Goods are to be delivered by the Supply Chain Vendor, the point of delivery shall be when the Goods are removed from the Supply Chain Vendor's transporting vehicle:

- a) on the date specified in the Contract Form or, if no such date is specified, on the date agreed between Churchill and the Supply Chain Vendor;
- b) during Churchill's normal hours of business on a Business Day, or as otherwise instructed in writing by Churchill;

4.3 Where the Goods are to be collected by Churchill, the point of delivery shall be when the Goods are loaded onto Churchill's transporting vehicle.

4.4 Delivery will be deemed to be incomplete if the Supply Chain Vendor fails to provide Churchill with all the documentation or training necessary for the safe and proper operation or intended use of the Goods and Churchill shall have the right to inspect and test the Goods at any time before delivery.

4.5 The issue by Churchill of a receipt for the Goods shall not constitute any acknowledgment of the condition, quantity or nature of the Goods.

4.6 The Supply Chain Vendor must ensure all Goods are suitably packaged, marked in a proper manner and in accordance with any Churchill instructions, statutory requirements and any requirements of the carriers. Churchill shall not be obliged to return any packaging materials for any Goods whether or not they are accepted by Churchill.

4.7 If the Goods require the carrying out of tests, installation or training, delivery shall not be deemed to be complete until such tests have been passed, all Goods installed or training delivered to Churchill's unconditional satisfaction and the Supply Chain Vendor shall provide to Churchill upon request with copies of all test reports and all data discovered as a result of testing.

4.8 If Churchill installs any Goods supplied to it, the Supply Chain Vendor shall supply in advance of delivery a functional description of each part of the Goods, together with sufficient drawings and instructions to allow Churchill to install, operate and maintain the Goods including details of any special environmental controls required to ensure that the Works meet any relevant specification.

5. Provision of the Works

5.1 In providing the Works, the Supply Chain Vendor shall:

- a) co-operate with Churchill in all matters relating to the Works, and comply with all instructions of Churchill;
- b) perform the Works with the best care, skill and diligence in accordance with best practice in the Supply Chain Vendor's industry, profession or trade;
- c) use personnel who are suitably skilled and experienced to perform tasks assigned to them, and in sufficient number to ensure that the Supply Chain Vendor's obligations are fulfilled in accordance with this Agreement;
- d) ensure that the Works and/or Deliverables will conform with all descriptions and specifications set out in the Contract Form, and that the Deliverables shall be fit for any purpose expressly or impliedly made known to the Supply Chain Vendor by Churchill;
- e) provide all equipment, tools and vehicles and such other items as are required to provide the Works;
- f) use the best quality goods, materials, standards and techniques, and ensure that the Deliverables, and all goods and materials supplied and used in the Works or transferred to Churchill, will be free from defects in workmanship, installation and design;
- g) obtain and at all times maintain all necessary licenses and consents, and comply with all applicable laws and regulations; and
- h) observe all health and safety rules and regulations and any other security requirements that apply at any of Churchill's or clients premises.

5.2 The Supply Chain Vendor shall ensure that at all times it has and maintains all the licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under the Agreement in respect of the Works.

5.3 Where the Contract Form specifies the time of performance or delivery of the Works, time for such performance or delivery shall be of the essence.

Purchase Terms & Conditions v6

CG-F-49B

5.4 The Supply Chain Vendor shall notify Churchill if any delivery or performance is likely to be delayed beyond the date specified in the Contract Form or, if no such date is specified in the Contract Form, beyond the date which had been agreed between Churchill and the Supply Chain Vendor. If the Contract Form provides for the payment of liquidated damages for delays in performance or delivery, then these shall apply. If not, then the provisions of Clause 5.5 shall apply.

5.5 Where Clause 5.3 applies and time is of the essence, failure by the Supply Chain Vendor to promptly notify Churchill of any likely delay shall entitle Churchill to terminate without liability all or any part of the order set out in the Contract Form. Churchill shall also be entitled to compensation for any Direct Losses resulting from such failure and/or delay. Save where Clause 5.3 applies, if any delay which is promptly notified to Churchill does or is likely to exceed ten (10) days, Churchill shall be entitled to terminate without liability on its part all or any part of the order set out in the Contract Form and/or (unless the delay is due to Force Majeure (as set out in Clause 25 below)) to compensation for any resulting Direct Losses.

5.6 In addition to any other right Churchill may have under this Agreement or any other contract between it and the Supply Chain Vendor, Churchill shall be entitled to postpone the date of delivery or performance for whatever period it thinks fit upon giving notice in writing to the Supply Chain Vendor. The Supply Chain Vendor shall not make any additional charges for providing or performing the Works where Churchill exercises this right, unless the Supply Chain Vendor can demonstrate to the reasonable satisfaction of Churchill, providing a written statement and supporting evidence, that such additional charges are unavoidable due to the proposed postponement. In such circumstances, Churchill shall be entitled to terminate the Agreement immediately without any liability whatsoever if it determines (at its sole discretion) that the increase in charges is not reasonable.

5.7 If the Works are delivered or performed in instalments, Churchill may treat the Agreement either as a single contract and not severable, or it may elect to terminate the whole of any unfulfilled part of the Agreement without any further liability to the Supply Chain Vendor.

5.8 The Supply Chain Vendor shall liaise with Churchill (and any third parties designated by Churchill) regularly and at such intervals as Churchill may request in connection with the Works. The Supply Chain Vendor shall provide Churchill's nominated representative(s) with access to observe performance of the Works at all key stages in their development.

5.9 If an inspection by Churchill at any time after delivery by the Supply Chain Vendor establishes that all or any part of the Works supplied does not comply with all the requirements of the Agreement, Churchill may (without limitation) reject the Works supplied, return it to the Supply Chain Vendor and require replacement or rectification, or require re-performance of the Works and in each case recover its losses, costs and expenses from the Supply Chain Vendor.

5.10 Where the Supply Chain Vendor attends site to carry out the Works and is unable to gain access to the service area or to successfully complete the Works due to access restrictions or the acts and/or omissions of authorized representatives of Churchill on site (a "Wasted Journey"), the Supply Chain Vendor undertakes and agrees to use its best endeavors to take all steps to contact an authorized representative of Churchill on site to gain access and/or resolve any on-site restrictions.

5.11 In the event of a Wasted Journey where the Supply Chain Vendor has been unable to successfully complete the Works, the Supply Chain Vendor shall only invoice Churchill for its reasonable charges incurred, which shall not exceed the Supply Chain Vendor's transport only charge.

5.12 The Supply Chain Vendor is not entitled to charge any Wasted Journey charge where the Supply Chain Vendor has attempted to attend a site outside of the service times agreed by Churchill in writing or where the Supply Chain Vendor is unable to demonstrate compliance with Clause 5.10. Where service times have not been specified by Churchill, the agreed service times shall be deemed to be 0900 to 1700 hours Monday to Friday (excluding public holidays).

Purchase Terms & Conditions v6

CG-F-49B

5.13 The Supply Chain Vendor shall give Churchill not less than 30 days' written notice where it proposes to alter the scheduled service times agreed by Churchill or, where service times have not been specified, outside of the standard service times set out in Clause 5.12 above. Where the Supply Chain Vendor's revised service times will no longer satisfy the requirements of Churchill, Churchill reserves the right to terminate this Agreement in accordance with Clause 21.1.

5.14 Churchill shall be entitled to deduct from the Price or reclaim from the Supply Chain Vendor any reasonable costs associated with the procurement of any Replacement Services or any costs associated with the Works, which the Supply Chain Vendor has failed to provide in accordance with the terms of this Agreement. These costs will include, without limitation, any premium paid and/or transportation or delivery charges required to achieve the timeframe originally specified for the provision of the Works in this Agreement.

6. Hazardous goods

6.1 If any Works to be provided or performed under the Agreement involve the use of any hazardous substances or requires any special precautions to be taken to ensure safety in handling, transport, storage or use, the Supply Chain Vendor shall prior to delivery furnish Churchill with written details of the nature of those substances and the precautions to be taken and shall ensure that before dispatch appropriate instructions and warnings are clearly and prominently marked or securely attached to any containers into which they are packed.

6.2 In particular (but without limitation) the Supply Chain Vendor shall provide to Churchill in writing all such data, instructions and warnings as are required to comply with applicable legislation, including without limitation, relating to health and safety and shall indemnify Churchill against any and all liabilities, claims and expenses which may arise as a result of the Supply Chain Vendor's failure to do so.

7. Remedies

7.1 If the Supply Chain Vendor fails to complete the delivery or performance of any Works in accordance with this Agreement, for any reason other than Force Majeure, without prejudice to any other right and remedies it may have, Churchill shall be entitled to:

- a) reject the Works (in whole or in part) whether or not title has passed and to return them to the Supply Chain Vendor at the Supply Chain Vendor's own risk and expense;
- b) require the Supply Chain Vendor to remedy such defect at its own cost within seven (7) days including without limitation to repair or replace any rejected Works (in which case the Supply Chain Vendor shall also be liable to Churchill for any costs arising out of any

damage caused by the Supply Chain Vendor in remedying such defects and shall also provide free of charge any additional Works necessary to remedy the Works);

- c) recover from the Supply Chain Vendor any costs incurred by Churchill in having such defects remedied;
- d) cancel any Works which have not been delivered or provided by the date required and require a full refund of any part of the Price which has been paid; and/or
- e) charge to the Supply Chain Vendor any additional costs, losses or expenses which Churchill may incur due to the Supply Chain Vendor's failure to deliver or perform the correct Works in accordance with this Agreement and the Contract Form, including, but not limited to, any additional costs incurred by Churchill in obtaining any Replacement Services from a third party and any payments contractually due to third parties as a result of the Works not being so provided by the specified delivery date.

7.2 Clause 7.1 shall extend to any substituted or remedial services and/or repaired or replacement Works supplied by the Supply Chain Vendor.

7.3 Churchill's rights under this Agreement are in addition to its rights and remedies implied by statute and common law.

8. Ownership and risk

8.1 Subject to Clauses 8.2, 8.3 and 8.4, the risk and title in any Goods which form all or any part of the Works shall pass to Churchill when delivered and the time of delivery shall be determined in accordance with Clauses 4 and/or 5.

8.2 Risk of loss or damage to, and title in any Goods rejected by Churchill in accordance with this Agreement shall revert to the Supply Chain Vendor upon notification of that rejection by Churchill.

8.3 Any equipment and materials provided by the Supply Chain Vendor for the provision of the Works shall remain the property of the Supply Chain Vendor. Churchill will take all reasonable care of such equipment but no liability is accepted for any loss or damage which is not proven to have directly been caused by the negligence or default of Churchill.

8.4 Churchill accepts no liability whatsoever for any equipment and/or materials provided by the Supply Chain Vendor, including for ordinary wear and tear, and the Supply Chain Vendor is expected to provide a replacement if the equipment or materials no longer meet any relevant standard that is expected.

8.5 Sub-contractors must allow Churchill to access their safety management system to perform an audit against industry standards, codes of conduct and legislative requirements. Such an audit will be at the sub-contractors own cost.

9. Price and payment

9.1 The price for the Works shall be as set out, described and/or calculated in or pursuant to the Contract Form and will be fixed unless the Contract Form provides otherwise (the "Price"). The Price shall be exclusive of VAT but inclusive of all other taxes, charges and expenses including packaging, shipping, carriage, insurance, testing and delivery of any Goods to the delivery address and any duties, imposts or levies.

9.2 The Price for any Works shall be the full and exclusive remuneration of the Supply Chain Vendor in respect of the performance of the Works and unless otherwise agreed in writing by Churchill, the Price shall include all costs and expenses of the Supply Chain Vendor directly or indirectly incurred in connection with the performance of the Works.

9.3 No increase to the Price may be made (whether on account of increased material, labour or transport costs, fluctuations in exchange rates, legislative or regulatory changes, or otherwise) without the prior written consent of Churchill. Churchill shall be entitled to any discount of prompt payment, bulk purchase or volume of purchase customarily granted by the Supply Chain Vendor, whether or not shown on its own terms and conditions of sale.

9.4 Unless specified otherwise in the Contract Form, the Supply Chain Vendor shall invoice Churchill at any time after the later of the due date for completion and/or delivery of the Works and the actual date of such completion and/or delivery. The invoice shall comply with the Invoice Instructions and shall state clearly that it is an invoice and include the contract reference number, the full name of the Churchill contracting legal entity, the period to which the Price relates, the date, the contact name at Churchill, a description of the Works to which the invoice relates, a valid Churchill purchase order number, the Supply Chain Vendor's name and registered company VAT number and such other information as Churchill may reasonably require. Any incomplete invoice will be invalid. For the avoidance of doubt, Churchill shall not be bound by a purchase order for a price other than as set out, described and/or calculated in or pursuant to the Contract Form and this Agreement. In the event of a conflict between the price set out in an invoice/purchase order and the Price set out, described and/or calculated in or pursuant to the Contract Form and this Agreement, the latter will prevail. The Supply Chain Vendor shall not be entitled to claim any adjustment to the Price arising from any error generated by Churchill in a purchase order.

9.5 In consideration of the supply of the Works by the Supply Chain Vendor, Churchill shall pay the invoiced amounts within sixty (60) days from the end of the month of receipt of the date of a correctly rendered invoice to a bank account nominated in writing by the Supply Chain Vendor.

9.6 Churchill shall not be obliged to pay and/or consider any invoice that:

- a) does not comply with the Invoice Instructions;
- b) exceeds a valid Churchill purchase order;
- c) is not addressed to the correct Churchill contracting legal entity; and/or

9.7 All invoices must be sent by email or post to the PO Box address stipulated by Churchill.

9.8 Unless the Contract Form provides otherwise, or where the invoice is disputed by Churchill, payment shall be made within sixty (60) days from the end of the month of receipt of the date of a correctly rendered invoice. Except with Churchill's prior written consent, the Supply Chain Vendor shall not factor or assign any invoice submitted to Churchill pursuant to this Agreement.

9.9 If Churchill has agreed to reimburse the Supply Chain Vendor for expenses incurred in the performance of the Services then the Supply Chain Vendor shall provide receipts or such other evidence as Churchill may require to support any claim for such expenses.

9.10 Without prejudice to any other right or remedy Churchill may have, Churchill reserves the right to set off any liability of Churchill and/or a Group Company to the Supply Chain Vendor, whether either liability is present or future, liquidated or unliquidated arising under this Agreement or any other agreement which may exist from time to time between them, against any liability of the Supply Chain Vendor to Churchill under this Agreement. All amounts due under this Agreement or against Churchill under any other agreement shall be paid by the Supply Chain Vendor to Churchill in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law).

9.11 Churchill shall deduct the cost of any Goods which are returned by Churchill or any Services rejected by Churchill from the next payment due to the Supply Chain Vendor. Where the return of any Goods or the rejection of any Services puts the Supply Chain Vendor into a debt position and Churchill is unable to deduct the balance from a payment due, Churchill will issue a debit note and shall require settlement of the debit note by the Supply Chain Vendor within fourteen (14) days of the date of the debit note.

9.12 The Supply Chain Vendor shall not suspend the supply of the Works unless the Supply Chain Vendor is entitled to terminate the Agreement for failure to pay undisputed sums of money.

9.13 Interest shall be payable on any amount due and payable under this Agreement (including, without limitation, any rebate) which is not paid by the due date for its payment. Such interest shall accrue on the overdue amount at the rate of 2% per annum above the Bank of England's base rate from time to time and shall be calculated on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. This Clause 9.13 shall not apply to payments that the defaulting party disputes in good faith.

9.14 The Supply Chain Vendor shall keep and maintain complete, accurate and up to date records relating to the supply and performance of the Works and the operation of the Agreement, including without limitation, records of:

- a) the Works provided and the supply and/or status of such Works;
- b) any expenditure charged, paid and/or reimbursed;

- a) improve the quality, scope and efficiency of the Works; and
- b) reduce the Price, any charges and Churchill's costs, without adversely affecting the Works or any standards or levels applicable to the Works.

10.2 Without prejudice to its other obligations under this Clause 10, if the Supply Chain Vendor or any of its suppliers develops or implements for any other customer any new technology or product feature in respect of works similar to the Works, the Supply Chain Vendor shall promptly offer that new technology or product feature to Churchill. 11. Variations

11.1 The Supply Chain Vendor shall accept any reasonable variation to the specification for the Works requested by Churchill. The price shall be adjusted and agreed in writing by Churchill to reflect the variation having regard to the rates and prices used in the Agreement or, where these are not relevant, to what is fair and reasonable.

11.2 Neither party shall be bound by any variation to the Agreement unless and until it is confirmed in a variation to the Contract Form signed by an authorized representative of each party.

12. Intellectual property

12.1 In respect of the Works and any goods that are transferred to Churchill as part of the Works under this Agreement, including without limitation the Deliverables or any part of them, the Supply Chain Vendor warrants that it has full clear and unencumbered title to all such items, and that at the date of delivery of such items to Churchill, it will have full and unrestricted rights to sell and transfer all such items to Churchill.

12.2 The Supply Chain Vendor hereby assigns absolutely by way of present and (to the extent permissible by law) future assignment with full title guarantee and free from all third party rights and at no cost to Churchill, all Intellectual Property Rights which are created by the Supply Chain Vendor or on the Supply Chain Vendor's behalf throughout the term of the Agreement in the products of the Works, including without limitation the Deliverables.
