Dear Mr. Yeung,

Letter of Appreciation

We would like to express our gratitude to the donation of HK\$720.8 and a wall clock from the fundraising function of your respectable Company to Hong Chi Children Home supporting the children's facilities and training programmes.

With your support, we have been able to provide subsidized programmes and training to our children with mild grade mental handicap developing their potentials and growing in self-confidence as well as enriching their quality of life under our care. We cordially welcome you all to continue to visit us and share the achievement of the learning classes and programs sponsored by your donation.

On this occasion, may I also extend my heartfelt thanks to you and your colleagues for your services to our children frequently during these years and we surely believed that our children have kept a wonderful and beautiful memory for the time being with you all.

It is our pleasure to thank you and extend our sincere appreciation for the donation altogether with your love and care shown to the children. We look forward to your continuous support in the future.

Yours sincerely,
