

The soul light

MOULIN ROUGE

A crystals web envelopes
the structure in a sensual
embrace. A richly
suggestive and aware
world where soft crystal
knots model the surface.

Burlesque

The light turns on of sophisticated transparencies. This is the essence of the new Burlesque collection. Coloured light cascades diffuse on the metallic finish with the warm candle light sensivity. This is the fragrance of Italian traditional artisan.

*In the
Rocks*

A union of strength and sweetness characterizes the Ontherocks collection, where crystal drops and icicles embrace in soft plumbian curves.
