

The Centre
Technical Information and Fact Sheet

The Centre is part of Newlyn Trinity Methodist Church, and is a designated Children's Centre. We are a social enterprise, but also take commercial bookings. We may offer a discount to charities or other social groups, or an introductory rate to an individual wishing to run an activity for a trial period. Our building has recently been modernised and is clean, warm, and inviting. We have a hearing loop installed.

We run a wide range of events for all ages – from dance classes to karate to Brownies to the youth club. The only non-negotiable restriction that we have is that no alcohol may be brought onto the premises.

Short Stay

As before, take the B3315, but at the T junction head straight on into Newlyn. There is a pay and display car park one hundred meters onwards on the right, opposite the Fishermans Mission. If you pass Co-op on your right, you have gone too far. Alternatively, there are often spaces on Chywoone Hill, above The Centre.

Long Stay:

Follow instructions as per short stay, but continue past the Co-Op on your right hand side and after the fish market buildings on the left hand side there is the fish market car park.

Access

The building has lift access to all floors, and is wheelchair friendly. The main door is 200cm high by 165cm wide, as is the door to the main hall. All doors to the other rooms are 200cm by 85cm. The lift is 100cm by 150cm and has a maximum payload of 400kg. There is level access from the entrance to the main hall, with a drop-off point outside. A wheelchair is available for loan.
