ยินดีต้อนรับ

WELCOME TO THE 14TH EDITION OF IMCAS ASIA IN BANGKOK, THAILAND!

IMCAS is honored to host another new and exciting edition of IMCAS Asia in collaboration with ITCAM of THAICOSDERM in Bangkok, Thailand.

IMCAS Asia was conceived to create a meeting ground for medical professionals in dermatology, plastic surgery and related fields - a place of exchange where international experts can share the recent advancements made in their home countries, and the Asian specialists give their regional insights in return, for learning knows no boundaries.

The scientific program embodies this notion of exchange, offering over 168 sessions featuring the latest research and techniques with a systematic look at specificities of Asian morphologies, so that attendees may provide the best care to all patients of all ethnicities. 14 key themes, including injectables, lasers & EBD, clinical dermatology, genital treatments, regenerative medicine, face & body surgery, form the foundation to underpin your progress while the diverse stimulating session formats stimulate learning and maximum retention of information.

Leading the list of dynamic courses is the Anatomy on Cadaver Workshop, a unique series of sessions that combine live broadcasts of cadaver dissections and live patient demonstrations of non-surgical procedures to help attendees avoid danger zones.

Once equipped with the knowledge of the zones to avoid, attendees can continue the learning journey to IMCAS Alert sessions for tips & tricks to manage complications.

The experts presenting at these sessions introduce cases of complication with injectables, lasers & EBD, threads or surgery that were posted on the Alert section of IMCAS Academy, give their approaches on how to manage the complications.

For those seeking more action, the exhibiting companies and their proposed activities such as live demonstrations and symposia give delegates the chance to explore the latest innovations and products, and gauge their effectiveness.

IMCAS Asia 2020 is a celebration of great minds gathering to share their passion in aesthetic science and medicine. Two social events taking place during the congress allow further interaction between attendees so they may connect or reconnect with their international colleagues. Engage in stimulating exchange during the Networking cocktail or indulge in fine dining that keeps the conversation flowing with the Gala dinner.

Bangkok promises a new and exciting educational adventure, and the entire IMCAS team is eager to welcome you.

BADGE ACCESS

IMCAS welcomes all professionals active in the world of aesthetics, including doctors and related professional bodies. Access to conference rooms depends on each badge category, whether the delegate is a board-certified physician, a registered nurse or a corporate professional.

Once you purchase a badge under your name, it is not transferable to another individual. All badge holders receive a wristband upon arrival, which must be worn along with the badge at all times for access to the conference.

Please check our registration form for the badge categories, their accesses and cancellation policy.

CERTIFICATE OF ATTENDANCE

Delegates, faculty and contributing speakers obtain a certificate of attendance at the end of IMCAS Asia 2020. Each registered delegate has to fill in the online evaluation form within 30 days following the congress on www.imcas.com. Once completed, a certificate of attendance will be available for download.

COFFEE & LUNCH BREAKS

Complimentary lunch and coffee are provided to delegates and faculty at designated serving areas.

CONFLICT OF INTEREST (COI) POLICY

IMCAS insists on transparency in all scientific courses, therefore each speaker is required to disclose whether or not their presentations contain any commercial bias or financial support received.

The COI policy applies to anyone who is a speaker during the congress or contributes to the development of the scientific program; this includes all members of the Scientific Board and all faculty members.

EDUCATIONAL GRANT

A grant is a financial donation from a company. Funds are given by the donor to support a project or program; however, the scientific content is developed entirely by the Scientific Committee which makes them eligible for CME accreditation. IMCAS Asia 2020 presents 168 sessions, among which 26 are under an educational grant.

EXHIBITION

The exhibition is open all three days on both floors, and is accessible to all badge holders. Visit our website for the updated list of sponsors.

GALA DINNER

The Gala Dinner offers a fabulous ending after intensive learning. Enjoy the fine dining and entertainment and unwind with friends and colleagues. Detailed information coming soon!

HOTEL RESERVATION

IMCAS has the pleasure of providing accommodation options for delegates. Choose between the "All-Inclusive Pass + Hotel" Badge or "Accommodation Only" on the registration page of the IMCAS website and benefit from special negotiated prices at select hotels.

IMCAS ACADEMY

IMCAS Academy is the e-learning platform to have in 2020! The exhaustive content is now even easier to access with the Academy app. Discover all that IMCAS Academy has to offer at the Academy booth. Try it for yourself, and benefit from a special offer available only during the congress.

LEARNING LIBRARY

Keep an eye out for this learning spot for additional learning opportunities outside the sessions.

- Posters: paper presentations of scientific cases and trials are displayed.
- Magazines and future congress desk: find flyers on upcoming conferences and magazines on dermatology, plastic surgery and aesthetic science that our partners provide.

NETWORKING COCKTAIL

Taking place on Friday evening, the Networking Cocktail provides the perfect opportunity to expand your professional network and to socialize in open and engaging conversations.

OPEN STAGE TALKS

Come to the open stage and tune in on oral presentations and discussions taking place parallel to the sessions.

PHOTOBOOTH

Take a candid photo with a professional photographer, and relive the congress moments post-congress when the pictures will be uploaded to the IMCAS social networks.

SPEAKER PREVIEW ROOM – CLUB LOUNGE

• Preview room: room with restricted access to speakers only. All speakers must upload their presentations 2 hours prior to sessions as direct plug-in or connection is not allowed in the session rooms.

• Club lounge: accessible to Faculty badge holders only, this exclusive lounge offers a deluxe seating area, international newspapers, food & beverages.

SPONSORSHIP

A sponsorship for a session entails a partnership with IMCAS and the sponsoring company. A company provides direct financial support for an activity and in return, the sponsoring company may present lectures promoting their product. The content of these sponsored sessions is therefore not endorsed by IMCAS.

IMCAS Asia 2020 presents 168 sessions, among which 28 are sponsored.

VIDEO COURSES

Upgrade your learning days with the 2-hour practical video trainings on a topic. Refer to the registration form for information on proposed topics and fees.

VIP LOUNGE

Accessible exclusively to delegates who have registered for the "All Inclusive" Pass or purchased the VIP lounge option, this secluded, comfy lounge gives you a moment of calm in the midst of the bustling congress.

WELCOME DESK

Whether you have questions about the courses or are looking for a lost item, you can always come to the Welcome desk located at the entrance, where a member of staff will be happy to help you with your query. On-site new registrations for badges or optional courses also take place here.

What to expect AT IMCAS ASIA 2020

The 14th IMCAS Asia x 10th ITCAM proposes a plethora of scientific sessions to replenish your learning needs in everyday practice. Here's what is waiting for you in this new and exciting edition.

"This special collaboration between IMCAS Asia and ITCAM of THAICOSDERM aims to bring the top of the notch, most updated information and knowledge to the attendees. The congress gathers experts on a wide range of subjects in aesthetic medicine to share their techniques, experiences, difficult cases and approaches to caring for complications.

On a larger scope, the congress provides a platform of exchange and mutual growth. By attending, practitioners in Asia will be able to get a glimpse of trends in procedures across Europe and America, and ascertain similarities and differences in practice methods between the foreign cultures. The Asian experts complement this exchange with our expertise on Asian morphologies, perspectives and methodologies. The combination amounts to learning materials that will give depth to the practitioner."

Paisal RUMMANEETHORN, Cosmetic surgeon, Thailand

EDITION

New IN 2020

To accommodate the 1,800 international attendees, IMCAS Asia 2020 holds sessions spread out between 6 ROOMS. This year also launches two new learning formats: follow along the dichotomy of a procedure by esteemed physicians during the DEBATES, or gather concrete examples during presentations of CLINICAL CASES.

SCIENTIFIC HIGHLIGHTS

AUGMENTED ANATOMY ON CADAVER:

The one-of-a-kind course presents live treatments of minimally invasive procedures on a patient, simultaneously with live cadaver dissections of the relevant areas to access the anatomy and avoid the danger zones.

IMCAS LIVE SURGERY: :

Following a format similar to that of the Cadaver Workshop, this module offers surgical trainings through live cadaver dissections alongside real-time surgery performances for in-depth look at the anatomy and to sharpen your surgical skills.

FRANCE-ASIA SURGERY COURSE:

For the first time ever, IMCAS Asia gathers renowned specialists from France and Asia for a step-by-step comparison of surgical techniques between the surgeons of the two regions, as well as a discussion on the morphological differences in patients.

LIVE DEMONSTRATIONS:

These sponsored activities allow companies to showcase their latest innovations for injectables, threads, lasers and EBD on stage. Broadcasted from specialized medical treatment rooms, these sessions allow you to see the devices and products in action.

IMCAS ALERT:

Complications and difficult cases may still manifest despite your best efforts. IMCAS Alert sessions present a selection of real-life complication examples and provides you the knowledge and techniques to manage such cases.

PAPER POSTERS:

International experts bring their clinical cases and research findings during the poster presentations. The posters are on display all three days of the congress, with specified times that allow you to ask your questions directly to the authors.

REGISTRATION *fees*

1 CHOOSE YOUR BADGE

| BADGE ACCESS (check on imcas.com) | FEES in USD (early bird rates until April 19) | SUPPORTING DOCUMENTS | ADDITIONAL INFORMATION |
|--|---|---|---|
| "ALL INCLUSIVE" PASS + HOTEL (physician only) | full* 1,990 after early bird: 2,090 | (a) Medical identification number | A "WHITE GLOVE" delivery to your hotel of your badge, congress program and congress bag – you can show up anytime and directly proceed to the conference rooms. Kit includes: > 3-night accommodation (check-in on Thursday, June 18 and check-out on Sunday, June 21) at the conference venue, the 5 stars luxury hotel "The Athenee Hotel, a Luxury Collection Hotel" (for one or two guests, including wifi and breakfasts) > 3 optional Video Courses > 12-month subscription to IMCAS Academy > access to the exclusive VIP lounge located at the heart of the conference > 1 gala dinner seat NOTA To benefit from the white glove service, participant should register at least 72h before the conference starts. |
| "ALL INCLUSIVE" PASS (physician only) | full* 1,290 after early bird: 1,390 | (a) Medical identification number | A "WHITE GLOVE" delivery to your hotel of your badge, congress program, and congress bag – you can show up anytime and directly proceed to the conference rooms. Kit includes: > 3 optional Video Courses > 12-month subscription to IMCAS Academy > access to the exclusive VIP lounge located at the heart of the conference > 1 gala dinner seat NOTA To benefit from the white glove service, participant should register at least 72h before the conference starts. |
| PHYSICIAN (practicing doctor) | full* 590 after early bird: 790 | (a) Medical identification number | |
| PHYSICIAN (resident or fellow) | full* 390 after early bird: 490 | (a) ID or passport > resident or fellow must be born after the year 1986 (b) Written certificate from the Chief of Service of your University Department, stating your medical specialisation. Certificates delivered by private institutions will not be accepted | |
