Individual Orders –

Uniform Handling

EXHIBITION & SPONSORSHIP ORDERING SYSTEM

ESOS® is a web-based purchase ordering tool for exhibitors and sponsors which simplifies industry management.

Uniting exhibitors, sponsors, satellite holders, vendors and conference organisers with one easy-to-use, transparent platform.

Combinable with REACT

ESOS®

Reach your Goals:

- Efficient and time saving specialized ordering system
- User-friendly interface
- Transparent communication lines between associations, exhibitors and agencies

- Speedy plan approval process
- Paperless functionality offers a more environmentally sustainable solution
- Time saving system with optimized information flow

"*ESOS® is capable handling more than 6,000 m² exhibition space during a single conference*"
