Features

Polycarbonate vandal-proof face

Tough machined aluminium housing

Weatherproof to IP68

The Polyflood 3 is a high-powered singlecolour spotlight which uses 3 Luxeon Rebel LEDs.

The unit offers excellent light output for numerous applications including wall lighting, mood and accent lighting, garden and ornamental, bar and club and architectural lighting.

The unit is IP68 rated and has an integral adjustable bracket so can be mounted easily to walls, ceilings and floors.

An On-Board drive version of the Polyflood 3 is also available enabling the unit to be driven from a 12-24V constant voltage supply.

Available in various LED colour combinations, the Polyflood 3 can create any desired mood or effect.

A ground spike is also available for soft ground installations.
