Unleashed

THE ACTS CHURCH TODAY

Let the Church be Unleashed

Gavin

Standing upon the Unlimited prayers of 2019 we now prepare for a church Unleashed at Spring Harvest 2020.

Imagine the impact a Spirit-filled, Gospel-declaring Church could have on your friends and family, your local community or even the wider world. A Church that loves Jesus so passionately and models sacrificial commitment to his people and his purposes.

These are some of the areas we will be exploring at Spring Harvest 2020: How can the Church be Unleashed to be all that Christ longs for it to be in our communities and our world?

Drawing from the book of Acts, Spring Harvest 2020 will equip you and your church to bring **liberation, colour** and **life in abundance** to those who so desperately need it. We will be inspired by great communicators of the Gospel, seek the Holy Spirit's power, pray with a passion and learn from fellow Christians.

Are you yearning for that same release that will again cause us to be **bold, visible** and **loud** to proclaim the Kingdom of God? Come raise your voice with us at Spring Harvest 2020 and pray for the Unleashing of the Church.

Gavin Calver
Chair of the Spring Harvest Planning Group

Spring Harvest is one of the longest running teaching and worship events in the UK, gathering together all kinds of people from many church backgrounds to encounter God and be inspired in their faith.

In 2020 the event will again encourage and equip you to bring change to the people and community around you.

You'll find high quality, in-depth Bible teaching and inspiring Spirit-led worship for everyone: children, teens, young adults and those with additional needs.

Make your own choice of accommodation from the huge range available at Butlin's resorts or the spa town of Harrogate. We also believe that a Spring Harvest break offers great value for money when compared to similar holiday resorts, and we provide a full teaching, worship and children's programme.

As Harrogate is a different venue with alternative facilities it has its own brochure with more specific details. Sign up for your copy in the 'Brochure Request' section of our website or download a copy once it is available.

If you're a regular, haven't been for some time, or have never been a guest at Spring Harvest, we invite you to come and see why it stands as one of the most respected Christian events in the UK!

To discover the unique programme, facilities and accommodation on offer at Spring Harvest Harrogate, request or download a brochure at [SPRINGHARVEST.ORG/HARROGATE](https://springharvest.org/harrogate)

“ There is something for every age - from babes in arms to the oldest in our church families.

There is something for every stage - those with no background knowledge who are perhaps just exploring Christianity, right through to those who have been committed Christians for decades, or those who have theological training.

There is something for every style - contemplative, interactive, small group, huge crowd, lively, reflective. There is something for every energy level - the day can be as busy, and as long, as you make it. ”

Milton of Campsie
