Project Description

McCain foods had identified the requirement for new staff changing areas, cafeteria facilities and office refurbishments at their Wombourne site. etc Architects carefully considered a design solution matching the client requirements, particularly avoiding disruption to production.

The new build houses a 60 seat cafeteria with servery together with a full commercial kitchen, dry storage and wash up areas. On the first floor are changing rooms for 110 staff with clean and dirty clothing stores and drying room.

The existing office areas over 2 floors were completely remodelled to provide many individual offices, board room, presentation room and a new main reception area for the site.

Client

McCain Foods (GB) Ltd

Floor Area

970sq. m approx.

Construction Period

27 weeks

Construction Cost

£1.2 million

Project Team

Architect: etc Design Ltd, client representatives
