BURLISH PARK PRIMARY SCHOOL ADMISSIONS POLICY for 2019/20

1. *‘Children Looked after and previously *‘Children Looked after’.
2. Siblings (see below for definition) of pupils attending the school and living within the catchment area of the school. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools. To find the catchment school for a postcode visit <http://e-services.worcestershire.gov.uk/SchoolSearch/SearchSchools.aspx?Search=Postcode>

In the event of a school catchment area change being approved, pupils who would still have a sibling connection (see below for definition) at the time of admission and who are living at the same address in the previous catchment area for a school, (but not within the revised catchment area), at the time the change was approved will be considered as living within the catchment area.

3. Pupils living within the catchment area of the school. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools. To find the catchment school for a postcode visit School Catchment Search ;
4. Pupils living outside of the catchment area but who would still have a sibling connection (see below for definition) at school at the time of admission. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission;
5. Children of staff at the school, in either or both of the following circumstances: A) Where that member of staff has been employed for two or more years at the time at which the application for admission is made, and/or B) the member of staff is recruited to fill a post for which there is a demonstrable skill shortage;
6. Pupils who live nearest to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. (In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children, Families and Communities will supervise this process).

In accordance with legislation, a child with a Statement of Special Educational Needs or an Education, Health and Care Plan will be offered a place at the school named in the Statement or the Plan.

*‘Looked after’ means all those currently in the care of a Local Authority or accommodated by a Local Authority under the terms of the Children Act 1989 and children who were previously in the care of or accommodated by a Local Authority but immediately after being looked after, became subject to an adoption, a child arrangements order or special guardianship order.

Where there are too many applications from within the catchment area, priority will be decided in the following order, i.e. sibling connection then children of staff then according to distance, each assessed as indicated above.

The sibling connection, as well as brother and sister will include half-siblings, adopted children, step-siblings or a child of the parent/carers partner. They must also be living at the same home address. Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings. In the event that one or more but not all children from a multiple birth can be allocated a place(s), all of the children from that multiple birth will be admitted even if this takes the school over PAN. These children are exceptions to the Infant Class Size legislation.

Late Applications

The Council has agreed in its co-ordinated scheme to accept late applications, for Community and Voluntary Controlled Schools within Worcestershire, within the time-frame set out in the scheme, and treat them as being on time, only in the following circumstances;

- a) where a family have just moved address, (refer to Information for Parents booklet);
- b) where it is agreed by the School Admissions, that individual circumstances apply and the delay was reasonable given the circumstances of the case;

In each case supporting documentary evidence will be required. In all other circumstances, or if the application is not received until after the date set out in the scheme, late applications will receive a lower priority, and will only be considered after the applications received (or deemed to be) on time.

Waiting Lists

Waiting lists for Community and Voluntary Controlled Schools, are maintained by the School, and parents need to apply, in order to be included. The waiting list is ranked in line with the published oversubscription criteria and is maintained until the 31st December 2019. Each child added to that list will require the list to be ranked again in line with the published oversubscription criteria. Parents will need to reapply at the start of the following term if they wish to be included on the new waiting list for that term. Only on receipt of an acknowledgement letter from School Admissions will that child be on the list. Please see the Information for Parents Book for full details on how Waiting Lists are operated.

Admission of Children into Reception

Admission authorities must provide for the admission of children in the September following their fourth birthday. Where a place has been offered for a child at a school that child is entitled to a full-time place in the September following their fourth birthday. The child's parents can defer the date their child is admitted but not beyond the point at which they reach compulsory school age, and not beyond the beginning of the final term of the school year for which it was made. Where the parents wish, children may attend part-time until later in the school year, but not beyond the point at which they reach compulsory school age.

Shared Catchment Areas

If there is more than one catchment area school and the number of applications for places from within the catchment area for one of those schools exceeds the number

of places available, the allocation of places for the shared catchment area will be decided according to the following priorities, in the following sequence:

1. pupils who would still have a sibling connection at the school at the time of admission;
2. children of staff at the mainstream school to which they apply, where that member of staff has been employed for two or more years, and/or is recruited to fill a post for which there is a demonstrable skill shortage;
3. pupils living nearer to the oversubscribed school than to the alternative school.

If places still exist after consideration of i) and ii) above, they will then be allocated to other pupils who live nearest to the school by the shortest straight-line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. (In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children, Families and Communities will supervise this process)."

Fair Access Protocol

As part of the Worcestershire Fair Access Protocol, all schools with Key Stage 2, 3 and 4 classes can be required to exceed the published admission number to admit pupils covered by the Protocol.

'In Year' transfer arrangements

Parents/Carers completing an application form for 'In Year' transfers, with a first preference for a Community or Voluntary Controlled School in Worcestershire, must forward the application to School Admissions. Parents/Carers with a first preference application for 'In Year' transfers into an Academy, Foundation, Voluntary Aided School in Worcestershire or a school in another Local Authority must forward the application to the individual schools. In line with the Code of Practice, all own admission authority schools must, on receipt of an inyear application, notify the relevant Local Authority of its outcome and inform parents of their right to appeal against a refusal of a place. Parents or carers seeking to transfer to a school that does not involve a house move, or where there is no need for an immediate move, need to be aware that any date set for joining the new school may be after the next term or half term holiday and that parents/carers are responsible for ensuring their child continues to receive appropriate education in the interim.

Admission of Children outside of their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health, effectively in the year group below or above their chronological age group. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1. The Local Authority must make the decision based on the circumstances of each case and in the best interests of the child concerned. The Local Authority will request the head

teacher of the school to take account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely in order to reach a decision as to whether or not it is appropriate for the individual child to delay or accelerate their entry into school and be taught outside of their chronological age group.
