✓ PROPERTY CONDITION

You can only let your property providing it is in a good condition. This helps to maximise the rent and to select the most suitable tenants.

✓ TENANCY AGREEMENT

Your property would be let using a professionally prepared Assured Shorthold Tenancy Agreement with an initial fixed term of 6 months.

✓ DEPOSIT

Deposits from Tenants are protected using the Tenancy Deposit Scheme.

✓ PERFORMANCE CERTIFICATE

Prior to the marketing of any residential property for let, an EPC (being no more than 10 years older with a minimum 'E' rating) must be available to prospective tenants.

✓ ELECTRICITY

It is the landlord's responsibility to ensure that the electrical installation and all electrical appliances are safe and in full working order being compliant with all relevant regulations before a tenancy agreement is signed. It is good practise to have an electrical installation report carried out every five years unless advised otherwise.

✓ GAS SAFETY

It is a legal requirement to have an annual gas safety inspection and any necessary repairs or maintenance carried out.

✓ SMOKE AND CARBON MONOXIDE ALARMS

Smoke alarms are required to be fitted on every floor of the property. In addition, carbon monoxide detectors are required in every room with a heater which burns solid fuels.

✓ RIGHT TO RENT

Landlords must check that all people aged over 18 years living in their property (as their only or main home) have the "Right to Rent".

✓ WATER TESTING (LEGIONELLA RISK ASSESSMENT)

Landlords are required to perform a risk assessment for Legionnaires Disease, this is particularly important if the water is via a non-mains supply.

✓ FURNITURE AND FURNISHINGS

We strongly recommend our landlords to only let their properties empty of any furniture and furnishings thereby, avoiding the complexities of complying with the fire resistance requirements.

✓ FIRE SAFETY IN HOUSES OF MULTIPLE OCCUPANCY

HMOs are usually properties in which unrelated people share facilities such as the kitchen or bathroom. A large HMO (more than 2 floors and more than 4 people) needs to be licenced.

✓ MORTGAGE

If your property is subject to a mortgage, it is your responsibility to get permission from your mortgagee to rent out the property (copy of the consent to be forwarded to Willsons).

✓ MONEY LAUNDERING REGULATIONS

Willsons are required to comply with these regulations and to retain on file verification of the identity of all new landlords.

✓ RENT GUARANTEE SCHEMES AND LEGAL EXPENSES INSURANCE

Willsons will be pleased to advise landlords on insurance schemes available for rent guarantee and legal expenses.

✓ INCOME TAX

You have responsibilities to pay Income Tax on rental income and Willsons will provide you with statements suitable for this purpose. We recommend that you take advice from an accountant for further information.

✓ INSURANCE

Whilst the property is let, it is necessary for landlords to inform insurers of the status and to adequately insure the structure and contents. Many landlords take Third Party Liability to cover any claim made by a tenant or anyone affected by a defect which causes damage or personal injury.
