Professional Concrete Curing/Insulation Blankets

from one of the largest manufacturers in China

**Concrete blankets are
the ultimate insulator
for cold weather
concreting.**

Rebate

2%
ON ALL
ORDERS

*It keeps winter out,
and it keeps heat and
vapor in the concrete
for proper curing. The
product is waterproof,
super durable, anti-
mildew, easy to
handle, and flexible
even in sub-zero
temperatures.*

*Double Seams with
Aluminum grommets every 3'*

*All sizes and types available in
multiple color options*

*Ask your DC International Representative
about these and any other items of interest.*
