

COVID-19 Secure Assessment Certificate

This GP Practice has implemented suitable control measures which comply with the government's guidance on managing the risks of COVID-19, ensuring a safe environment for all.

FIVE STEPS TO SAFELY WORKING TOGETHER

1.

•A **COVID-19 Secure Assessment** has been completed to identify and ensure all reasonable steps have been taken to manage risks and protect the health and safety of staff, patients and visitors.

2.

•The environment is well ventilated and frequently cleaned. All equipment is regularly decontaminated. **Personal Protective Equipment and hand hygiene facilities** are readily available for staff, patients and visitors to use.

3.

•All reasonable steps have been taken to **protect both clinically vulnerable and high risk groups of patients and staff** either at home or in a **COVID-19 Secure Environment** within the GP Practice.

4.

•All reasonable steps have been taken to **maintain 2m social distancing** wherever possible, including on arrival, departure and when travelling through the GP Practice, whether staff, patient or visitor.

5.

•Where 2m social distancing cannot be maintained, all practical measures have been identified and put in place to **manage the risk of transmission**.

Name of GP Practice: *Kings Langley Surgery*
