

If you have already signed up for FollowMyHealth (FMH) with HealthCare Partners, City of Hope or another organization, please follow these steps to add Huntington Medical Foundation (HMF) as a New Connection to your existing FMH account:

Log In: Choose this option to access your existing FMH account

Choose one of these six providers to log in to your existing FMH account

Go to My Account and select Connections

Select Add Connection: Choose this option to add Huntington Medical Foundation to your existing FMH account

Search by zip code, organization, or name of your provider

Connection successfully added to your existing FMH account

Please note that there may be a difference in FollowMyHealth functionality from one organization to the next.
