# GIN & TONICS

*At Langar Hall we believe in good tonic water, therefore all gins are served with a variety of different Fever-tree Tonics. Would you like your gin served with specific tonic water. Have a look at our list and inform your waiter.*

## **BOMBAY SAPPHIRE, HAMPSHIRE 40%**                      **25ml - £6.25**      **50ml - £8.95**

The 10 precious botanicals used in Bombay Sapphire are held separate from the spirit in perforated copper baskets, and when the heated vapours rise, the distinctive flavour of the botanicals are released. The result is a complex aromatic liquid that delivers a broader more balanced flavour.

## **TANQUERAY EXPORT, SCOTLAND 43.1%**                      **25ml - £6.25**      **50ml - £8.95**

The traditional connoisseur's all-time fave, boasting a higher percentage of juniper than any other gin. This magnificent old-style gin is still the benchmark.

## **PINK 47, LONDON 47%**    **25ml - £7.35**      **50ml - £10.50**

Pink 47 is a highly distinct, international award winning London dry gin offered in a unique diamond shaped bottle. The delicious recipe is carefully crafted in small batches with a mix of ten botanicals. The result is a unique and complex flavour. Four times distilled and at 47% alcohol by volume it is perfect for sipping and for cocktails- strong and smooth with a crisp and compelling finish and without a trace of harness.

## **HENDRICK'S, SCOTLAND 41.4%**    **25ml - £7.35**      **50ml - £10.50**

Hendrick's wondrous botanical signature consists of flowers, roots, fruits, and seeds from the world over. They function to complement and set the stage for our delicious duet of infusions: rose petal and cucumber.

## **SIR ROBIN OF LOCKSLEY 40.5%**    **25ml - £7.50**      **50ml - £10.75**

A gin named after one of the local heroes. Sir Robin of Locksley has some rather up-front juniper with the delicate aroma of elderflower peeping through. Deliciously smooth on the palate; the warm cassia notes are soothed by the dandelion, while pink grapefruit is responsible for an underlying sweetness with a lingering citrus finish. Balanced yet distinctively unique.

## **GERANIUM, LONDON, 44%**    **25ml - £7.65**      **50ml - £10.95**

Geranium Gin is the brainchild of the Danish gin judge Henrik Hammer. Geranium is a London Dry gin with an outstanding smooth and well-balanced delicate taste of juniper, a crisp citrus-rosy Geranium aroma with exotic notes from the eight other specially selected ingredients.

“I NEVER DRINK ANYTHING STRONGER THAN GIN  
BEFORE BREAKFAST”

- W C FIELDS

# GIN & TONICS

**TANQUERAY 10, LONDON 47.3%**                      **25ml - £7.85    50ml - £11.25**

A super-premium small-batch Tanqueray Gin named after the No.10 still in which it is made. A superbly controlled explosion of botanical flavours, with much more citrus character than its Export Strength cousin.

**SIPSMITH, LONDON 41.6%**                      **25ml - £8.00    50ml - £11.50**

Sipsmith's London Dry Gin is distilled from the finest English wheat spirit with ten carefully selected botanicals, and blended with the exceptionally pure water of Lydwell spring, the source of the River Thames. The result is an interpretation of the classic London Dry style that nods to its heritage and emerges as a particularly dry gin with a wonderful burst of juniper and a zesty, citrus freshness.

**THE BOTANIST, ISLAY 46%**                      **25ml - £8.25    50ml - £11.75**

The Botanist Gin is a progressive exploration of the botanical heritage of our Isle of Islay. 22 hand-foraged local botanicals delicately augment nine berries, barks, seeds and peels during an achingly slow distillation. This first and only Islay Dry Gin is a rare expression of the heart and should of our remote Scottish island home.

**LANGAR GARDEN GIN, SURREY 47%**                      **25ml - £8.75    50ml - £12.50**

A truly versatile juniper led spirit with a lifting citrus hit, smooth enough to sip, best accompanied with a large chunk of ice if taken neat.

**GIN MARE, BARCELONA 42.7%**                      **25ml - £8.75    50ml - £12.50**

Gin Mare opens the door to a new variety of gins, with a novel pan-Mediterranean concept that unites the different cultures around this sea representing their botanical stars such as:

Arbequina olives, thyme, basil and rosemary.

**SILENT POOL, SURREY 43%**                      **25ml - £9.00    50ml - £12.95**

Made with 24 botanicals carefully chosen for their uniqueness, that work together in unison to afford a romantic, complex flavour. Fresh floral and clarifying citrus notes are grounded by earthy and spicy cassia bark and cubeb, and a smooth finish is achieved with the help of local honey.

**COPPERHEAD, BELGIUM 40%**                      **25ml - £11.85    50ml - £16.95**

Mr. Copperhead was a notorious alchemist, in search of the elixir of life. During his pursuit, and much to his own surprise, he conjured up an exquisite composition, using a copper pot still and a recipe based on five essential botanicals: angelic, juniper, cardamom, orange peel and coriander seed. Enjoy the alchemist's gin!
