

Improve Your Exam Grades

Easter 2017 “Grade Booster” Classes

Many Grade Booster students go on to exceed their predicted grades in English, Maths or Science by at least one grade, having benefited from our qualified and focused tuition in small, supportive groups.

Our Grade Booster courses are not “crammers”, but rather they:

- ▶ Consolidate and improve your understanding of key concepts and topics.
- ▶ Provide individual support in any areas of concern.
- ▶ Give you advice on exam technique.
- ▶ Help you to organise your own learning and improve your own revision skills.
- ▶ Guide you on key topics to focus on for exam success.
- ▶ Help to build your confidence and provide effective strategies on managing stress.

All revision materials are provided.

Book your place now to avoid disappointment on results day

All Community Schools tutors are experienced teachers working in successful state sector schools. Additional online support is available to all our students.

Call Claire Meadows-Smith on 0774 7037441 for more details or to book.
