75cl - 11% - mushroom cork closure

Prosecco has become the "in" sparkling wine of recent years as the price of Champagne has risen. This has led to a plethora of cheap Prosecco on the market, much of it from inferior I.G.T. classified regions. The best Prosecco comes from specific Denominazione di Origine Controllata regions in the Veneto region to the east of Venice, and this superb example is from the renowned winemaker, Dogarina, in Treviso D.O.C.

This award winning Prosecco is from the 2012 vintage and was bottled in mid-November 2012, so is absolutely fresh.

Full of fruit flavours, good mousse with floral notes, good acidity and that added minerality, this is Prosecco at its very best.
