

# Imperial Christmas 2015

Two blue bells are positioned in the upper right corner of the page. The bell in the foreground is slightly larger and more prominent, with a white highlight on its rim. The second bell is positioned behind it and to the right, partially obscured. Both bells have a classic shape with a small loop at the top.

New Year's Eve**

A large, sparkling Christmas tree is the central focus of the lower half of the page. It is composed of numerous white, starburst-like lights that create a shimmering effect. The tree is positioned in the center-right area, with its base extending towards the bottom left. The background is a deep blue with a bokeh effect of light circles and starbursts. At the bottom of the page, there are several thick, dark blue diagonal stripes that sweep across the width of the image.
