

Helen from Four Oaks wanted to make the most of her garden space at the back of her home. **This is her story.**

THE PROJECT: LANDSCAPING & BRICKWORK

"We had a very tight deadline for completion so as you can imagine both time and quality were high priorities for us.

DHP came across very professional and were able to provide us with many references showing examples of their work. The quote for the work was prompt, detailed and arrived quickly."

THE DHP APPROACH

"The DHP team were very polite, on time and courteous. They were efficient and very tidy. Every day they cleared up after themselves, which for a project of this size, was just what we were after.

Paul gave us some fantastic advice right from the start and then was very patient when we changed the specification as the project progressed.

Jen was a superb project manager, always aware of what stages of the project we were at. Due to this fantastic service the quality of finish was excellent, on time and in budget."

"DHP were always available to talk and discuss my project in detail, which was exactly what we wanted."
