DETERMINED DISCIPLESHIP

For the disciple, everyday life is an adventure

Every day we face hundreds of decisions – and the right choices are often the most difficult ones. God calls us to choose the costly life of following Christ. It takes sacrifice, courage and perseverance. We need robust minds, passionate hearts and active hands as we press on towards our great reward.

But we do none of this alone. Using the book of James, Spring Harvest 2018 will explore **determined discipleship**, giving a rallying cry to the everyday adventure that's ahead.

We get one chance at this life – let's live it.

Spring Harvest is heading north

For years, we've been wanting to make Spring Harvest more accessible to Scotland and the North of England. At Harrogate Convention Centre, we've found a great solution.

It's set in a Victorian spa town with architecture, culture, eating and shopping to exceed your expectations. It boasts world famous names such as Betty's Tea Rooms and Taylors of Harrogate plus dozens of top quality independent retailers, cafés and restaurants.

Set in the heart of rural Yorkshire, Harrogate is close to charming market towns, the Yorkshire Dales and endless walking, cycling and adventure opportunities.

Newcastle, Manchester and Liverpool are within about two hours' drive

Glasgow and Edinburgh are within four hours' drive

A vibrant church service scene. In the foreground, the silhouettes of a congregation are seen from behind, with many people raising their hands in worship. In the background, a worship leader stands on a stage with arms raised, illuminated by warm stage lights. The ceiling is decorated with long, colorful streamers in shades of green, blue, and pink, creating a festive atmosphere.

Spring Harvest is a teaching and worship event for everyone

It's a unique break for all ages: holiday, festival, conference and an encounter with God.

Join thousands of Christians for life-changing days of learning, growth and spiritual refreshment. Our twin priorities are to explore Scripture through excellent Bible teaching and seek God's presence through Spirit-led worship. There's something for everyone - all ages and abilities can learn in their own way.

Bible foundation, worship inspiration

The Big Start

All ages come together for a high-energy start to the day in the magnificent Harrogate Convention Centre. We explore the daily theme and Bible passage with drama, prayer, art, singing and more.

Children

Energetic fun-packed sessions for kids are led by specialist teams. Following the same theme material as the adults and teens, Spring Harvest youngsters explore the Bible in age-appropriate ways.

All-Age Celebration

We love it when all ages get together to learn and worship - whether you're young or old, in a big family or on your own, energetic or reflective! The All-age celebration is just that, a place where all ages can worship and learn together every evening.

Celebrations

Everyone aged 8 and above has a celebration designed for them. Adults have evening worship with Pete James in the Convention Centre, plus inspiring preaching and space to respond. Children and young people also have their own celebrations aimed at their age group where they can worship, learn more about Jesus and respond to him.

Free family activities

Drop into our family activity zone in the afternoon for bouncy castles, soft play, arts & crafts and more for all the family.
