

St. Nicholas Nursery

Weekly Newsletter 22.11.2019

This week the children participated in a cooking activity.

The children were encouraged to crush digestive biscuits. The crushed biscuits were then added to melted chocolate followed by adding raisins. The mixture was then emptied into cupcake cases and decorated with red cherries.

Gentle Tip.

The Weather conditions are changing. The cold season is here. We remind everyone to wrap up warm with hats, scarves, gloves and coats.

YUMMY!

What is Show and Tell?

Show and Tell is when a child brings in their favourite toy from home and shows it to their friends. This develops their self-confidence, self-esteem and communication skills.

Have a good weekend from the Pre School Team ☺
