

## Good Practice Scheme

At Specialist Dental Services we are committed to offering the very best service possible.

We can summarise this with the following:

- We aim to provide dental care of consistently good quality for all patients
- We only provide care that meets your needs and wishes
- We aim to make your treatment as comfortable and convenient as possible
- We look after your general health and safety while receiving dental care
- We follow the Care Quality Commissions guidelines on infection control
- We check for mouth cancer and tell you what we find
- We take part in continuing professional development to keep our skills and knowledge up to date
- We train all staff in practice work systems and review training plans once a year
- We welcome feedback and deal promptly with any complaints
- Every member of the practice is aware of the need to work safely under General Dental Council guidelines

If you have any questions or would like to see any of our policies to ensure the above commitment to good practice, please do not hesitate to ask any member of the team.

## 6. Intravenous Sedation

Intravenous Sedation is available at the practice, which will be carried out by an anaesthetist. Your appointment would need to be arranged in advance to allow adequate notice to book the anaesthetist. You will receive full instruction as to what you are required to do in preparation of your appointment and after receiving your intravenous sedation.

Please note, we do not operate General Anaesthesia at these premises. Please ask for details about treatment under General Anaesthesia either with your dentist or call the practice on the telephone number above.

## 7. Information about the care and treatment provided by this practice

We have separate patient information relating to all the dental procedures which we carry out. If you wish to receive a copy or have any questions relating to this leaflet, please contact us immediately on the number above.

For all administrative enquiries or to arrange an appointment, please speak to our Practice Manager, Zoe Harmer, who will be happy to help you.

If you wish to receive a larger print of this or any of our other practice brochures, please ask Zoe to supply it.

We are always interested in the view of our patients and welcome any comments you may have regarding our service. We maintain our commitment to you with the highest standards of care possible.
