Customized Case Options for Weapon Storage

Distinctive Packaging for Quality Brands & Products

Flambeau's **EXCLUSIVE Zerust®** products are the absolute best way to protect your gear from rust and corrosion.

What is Zerust®? A patented VCI polymer technology molded directly into Flambeau plastics that provides years of hassle-free, long-lasting protection.

How does Zerust® work? Zerust-infused plastics emit an odorless, harmless vapor in a contained area to naturally form a protective layer around exposed, clean metal surfaces to prevent oxidation reduction and stop rust and corrosion.
