

## 7<sup>th</sup> and 8<sup>th</sup> Grade Advanced Visual Arts

Taught by Margaret Holt, Advanced Visual Arts is intended for the serious art student who is dedicated to building skills to become a better artist. Students do not have to be “good artists” in order to join, they just need to have the desire to improve and willingness to practice. Students will apply what they have learned about the elements of art and principles of design. Traditional art genres (landscape, still life, additive sculpture, portraiture, and more) will be introduced and technical applications in various media will be taught.

The registration fee is \$250.00 per semester for 12 classes. Students may enroll in either Monday or Tuesday classes from 3:00-4:30pm. Each class size is limited to 10 students and will be filled on a first come, first serve basis.
