

# AFFORDABLE TIMBER

---

Affordable Timber Ltd was founded in 2007 and has now become a well established company to source timber products from around the world for the United Kingdom and Ireland.

We offer a wide range of products from sustainable sources to cater for a variety of clients.

**Our main areas of expertise include:**

- Materials for construction of Garden buildings such as sheds, summer houses, log cabins
- Machine rounded posts, half round rails, pointed pegs and tree stakes
- Other machined products such as decking, roofing battens, other claddings, framings and specialist profiles machined from redwood or whitewood.
- Pressure Creosoted material such as posts and rails, machine rounded. (forward order only)
- Sleepers in Spruce, Pine or Oak
- Materials for fencing such as featheredge, waney boards and posts. Treated or untreated
- European Spruce, rough sawn on stick graded C24 stamped, in specialist dimensions and lengths up to 9.0 metre
- Barcoded, shrink wrapped products for DIY market
- Heat Treated 56/30 softwood for packing case & pallet manufacturers

# MAIN PRODUCTS:

## German Whitewood C24:

We can offer a large variety of sizes and lengths which are often hard to get from our mill in Germany. Each length can be stamped and graded to C24 standard but usually sold as unseasoned on stick due to the size of timber involved in order to avoid splitting.

- Sizes range from 22mm up to 300mm by 300mm.
- Lengths from 1metre up to 9 metres, longer on request
- Pick a pack available
- Payment terms available subject to credit insurance
- All timber is sourced from sustainable sources with FSC or PEFC accreditation.

## Roofing Battens:

We can offer all sizes of roofing batten from landed stocks or for larger orders shipped to port of your choice direct from sawmill. All timber is sourced from sustainable forests with FSC or PEFC accreditation.

- Bs5534 fully graded and colour treated available
- Type A standard green for DIY available
- Accessory products such as arris also available
- Delivered to site or yard anywhere in the United Kingdom or Ireland
- Payment terms available subject to credit insurance

## Garden Building Materials:

We offer a vast range of products for garden building manufacturers. Some of these are also sold to DIY outlets and can be barcoded and shrink wrapped if required. For these products we act as direct and exclusive agents on behalf of the sawmill. All products listed are FSC or PEFC certified and can be delivered by truck direct to your site anywhere in the United Kingdom or Ireland.

- Shiplap and/or matchboard such as 16 x 125mm ptgv or rebated, from redwood or whitewood.
- Logboards for cabins such as 44 x 145mm, 28 x 119mm, 19 x 119mm finish sizes.
- Specialist profiles for various claddings
- Option for treatment or cross cut lengths using Holtec Floorings
- Framing such as 28 x 45, 45 x 45 with eased corners
- Decking in redwood or whitewood
- Door linings in Unsorted Redwood
- Barcoding per length or bundle and shrink wrapping available
- Payment terms available subject to credit insurance

## Fencing Timbers:

Sourced from a number of sawmills we can offer one of the largest ranges of fencing and garden related products. Most of these products can be offered as a pick a pack service and delivered direct to your yard or site. Treatment is available as standard green or brown on request, but also creosote on certain products. Most of these products are sourced in the United Kingdom or Ireland, some are imported from Latvia or Lithuania. All timber is sourced from sustainable sources with FSC or PEFC accreditation.

- Sawn rails, boards, posts such as 22x100, 100x100, 47x100 up to 4.8metre lengths
- Featheredged boards in 125mm and 100mm widths
- Single edged waney boards
- Sleepers such as 100 x 200 2.4m or 125 x 225 2.6m
- Cant or Arris rails
- Machine rounds, half rounds or cundys
- Pointed pegs / tree stakes
- Decking
- Gate posts
