VACUUMS

 <p>NRM200</p>	<p>The 200 series has all the many features of the Henry design with full professional TwinFlo power and performance; Hi-Lo operation; Tritex filtration but with the addition of our extended commercial 12.5 metre cable rewind and storage system.</p> <p>Specifications: Power 230/120v Airflow 45L/sec Dimensions 355 x 355 x 415 mm Weight 6.9kilos. Capacity 9 litres</p>
 <p>PSP180 B2</p>	<p>Compact professional plugged vacuum equipped with a powerful 780W long-life TwinFlo motor. HepaFlo filtration not only raises performance standards, but also provides for clean and convenient emptying when full. The Nuplug system allows for quick and simple cable replacement.</p> <ul style="list-style-type: none"> • Compact whilst offering professional 8L capacity. • Reliable, long-life TwinFlo vacuum motor. • Nuplug, cable replacement is quick and easy. • Easy reach, 10 metre cable. • TriTex filtration system improves filtration, cleanliness and capacity. • Convenient, on-board wand and floor-tool storage. • Easy to change HepaFlo bags. • A tool for every job, full accessory kit AH1 with lightweight aluminium tube set. • Energy efficient, B rated.
 <p>MFQ370</p>	<p>When good is not good enough, the certified microfilter machine provides an exceptional 99.97% efficiency standard but totally without loss of convenience and usability.</p> <p>The power head itself has all the technical features of the Q series, low noise levels; TwinFlo performance and Hi/Low operation, but by careful design the HEPA microfilter module has been incorporated into the head design - ensuring that this machine, that often must be used in critical areas, is no larger than the truly convenient size of a standard professional 370.</p> <p>The accessory kit is comprehensive and to an equally high standard in every respect.</p>
 <p>NVQ570</p>	<p>The NVQ 570 is a Simplex one motored machine equipped with our TwinFlo two stage industrial motor providing unrivalled performance standards. It's compact size makes it ideal for numerous trades where it must frequently be moved from place to place such as builders, shop fitters, contractors etc.</p> <p>Structof foam is a unique material specification that has superb strength and impact resistance allowing machines to be truly rugged yet without a weight penalty.</p> <p>The new AirFlo design improves performance some 30% when used together with the Hepa-Flo dust bag system, providing the ideal specification for machines expected to work extended hours with little loss of performance.</p>

WET AND DRY CARPET/UPHOLSTERY CLEANERS

 <p>GEORGE KITA26A</p>	<p>The true "all in one" machine that is totally at home be it in the wet or the dry. This classic "all in one" is genuinely the family friend, dry vacuuming, wet vacuuming, scrubbing and drying hard floors, deep cleaning the carpet, cleaning the upholstery, unblocking the sink, you name it, George is your man.</p> <p>The combination of our highly efficient TwinFlo bypass vacuum motor and our powerflo' pump system provides you with professional cleaning standards, anytime, anywhere, ensuring exceptional results.</p> <p>The George design is in itself based entirely on our Cleantec professional range of machines; designed to work extensively and for long hours and functioning to a professional standard.</p> <p>When it comes to dry vacuuming you have big filters, use of HepaFlo dust bags, and you have a superb combination floor nozzle. In the wet mode, a simple exchange of the dry filter for the safety float valve allows any number of wet tasks to be achieved.</p>
 <p>CT470</p>	<p>The CT-470 is the bigger brother to the 370 with double its capacity for those that need more operational time between filling and emptying to cover larger areas.</p> <p>The power head incorporates the high performance TwinFlo bypass motor and Powerflo' pump system ensuring efficient discharge and liquid collection.</p> <p>The container system is our unique "tank within a tank" design providing for clean and dirty water within one compact size.</p>
 <p>CTD570</p>	<p>The 570 series has become the most popular contractors' extraction cleaner by choice... and this is not by chance, but by design.</p> <p>The full Structofoam construction is designed to take the bangs and bruises that any machine will suffer in true commercial use because that's what you need - a machine that's construction is beyond reproach and will give you years of reliable service.</p> <p>The Structofoam 570 is available in both one and two-motored models built to the full TwinFlo specification and incorporating our Powerflo' pump and quick connect liquid system.</p> <p>The containers are also full Structofoam incorporating our unique "tank within a tank" system to maintain a compact and usable size.</p> <p>The full accessory kit provides for both carpet and upholstery cleaning with optional additional accessories for hard floor, wet or dry pick-up facilities.</p>
 <p>NHL15</p>  <p>KIT BS27</p>	<p>The CleanTec Hi-Lo 15 has been designed from the ground up to reflect the need for quick and effective carpet care with the minimum of preparation and effort.</p> <p>Within the single design we have incorporated our TwinFlo high performance, carpet vacuum extraction system together with our dual, high performance, deep clean, Powerflo' pump injection unit, providing a choice of two performance standards which can be selected at any time to suit your specific needs.</p> <p>Almost every carpet cleaning task is made up of two specific areas:- the heavily soiled dirt tracked areas, always present in doorways and main walkways but, equally, a much larger area of carpet off the beaten track and only lightly soiled.</p> <p>The Hi-Lo system allows you to select the Hi pressure... 4 Bar (60 psi)... TriJet performance for heavily soiled areas and the Lo pressure... 2 Bar (30 psi) standard for lesser soiled areas. This system gives you the exact performance you need by simple selection, Hi or Lo, and reduces carpet wetting in areas where carpets need less cleaning penetration.</p>

Nilfisk Vacuums

 <p>SALTIX 10</p>	<p>On board of the SALTIX 10 there is a place for everything. Built in tool parking, secure accessory holders and handy detachable power cord makes the SALTIX 10 extremely user friendly.</p> <p>Low sound pressure level of just 50 dB(A) makes this vacuum suitable for daytime cleaning</p> <p>Weighs just 5.2 kg making it easy to move from place to place</p> <p>Large 10 litre container with 8 litre dust bag net filling</p> <p>Detachable orange cord</p> <p>Entire machine, including hose and wand, can be carried safely and comfortably in one hand</p> <p>Optional certified HEPA filter available for higher filtration level</p> <p>Lightweight aluminium tube</p>
 <p>AERO 21</p>	<p>AERO 21 is the smallest model in the AERO 21/26 series with compact design and easy to use features such as Push&Clean filter cleaning system and convenient accessory storage. The 20 litre machine has efficient suction performance, robust trolley and lifting handle.</p> <p>20 litre capacity</p> <p>Washable PET fleece filter with minimum 99,9% filtration efficiency</p> <p>MultiFit accessory system for ultimate flexibility</p> <p>Convenient accessory and cable storage</p> <p>Exhaust air blow function</p> <p>Stable wheels and ergonomic design for safe operation</p> <p>Available in 110v and 230/240v</p>
 <p>AERO 26</p>	<p>Being compact, light-weight and robust, the AERO 26 wet and dry vacuum cleaner can easily be transported to any location. The Push&Clean filter cleaning system prevents loss of performance as the filter can be cleaned whilst the machine is in use</p> <p>25 litre capacity</p> <p>Washable PET fleece filter with minimum 99,9% filtration efficiency</p> <p>MultiFit accessory system for ultimate flexibility</p> <p>Convenient accessory and cable storage</p> <p>Exhaust air blow function</p> <p>Stable wheels and ergonomic design for safe operation</p> <p>Available in 110v and 230/240v</p>

ROTARY FLOOR SCRUBBER/POLISHERS

 NLL332	<p>"The LoLine range of low profile floor machines has been developed to be smaller in size, lighter in weight, compact and convenient in storage whilst, at the same time, being quick and easy to use without loss of performance.</p> <p>The LoLine 332 can claim performance characteristics equal to that of bigger, more industrial machines with a full range of 33cm (13") brushes and 14" pad drives, a total weight of only 18kg, an operating speed of 200rpm - it's fast and user-friendly.</p>
 HFM1515	<p>New HFM1515, 150rpm power saving 1500 watt motor and oil filled gearbox and with exclusive ATC (Automatic Torque Control system), that monitors operational load and boosts torque as required to provide consistent performance and under varying load conditions.</p> <p>Standard Speed 150 rpm: Ideal for scrubbing or polishing of marble and granite floors. Not recommended for polishing other floor surfaces. Also an extra 10 kg or 20 kg weight can be added to the machine, when using this machine for the purposes of Crystallization/Restoration of Marble, floor sanding and scarifying.</p> <p>HFM1515 Rotary Floor Machine only</p> <p>HFM1515/HFM100 Rotary Floor Machine, Solution Tank and Scrub Brush</p> <p>HFM1515/HFM102 Rotary Floor Machine, Solution Tank and Drive Board</p>
 HFM1523	<p>The New HFM 1523, 230rpm power saving 1500 watt motor is truly two machines in one, providing the optimum balance between the two primary functions of scrubbing and polishing floors. The planetary gearbox providing a working speed of 230 rpm, this is 50% more speed than HFM1515.</p> <p>You scrub faster, and when it comes to polishing, the speed is a vital ingredient to improved results. With the 1500 Watt power specification and with exclusive ATC (Automatic Torque Control system), that monitors operational load and boosts torque as required to provide consistent performance and under varying load conditions.</p> <p>Also, there is the optional "drop on" weights that can be added at any time, to improve scrubbing and polishing performance, if needed.</p> <p>Medium Speed 230 rpm: Suitable for scrubbing or polishing.</p> <p>HFM1523 Rotary Floor Machine only</p> <p>HFM1523/HFM100 Rotary Floor Machine, Solution Tank and Scrub Brush</p> <p>HFM1523/HFM102 Rotary Floor Machine, Solution Tank and Drive Board</p>

HOUSEKEEPING/LAUNDRY TROLRIES

	<p>Servo-X Series</p> <p>Big in use, small in storage, the Servo-X laundry trolley range will always find favour in many locations where space is at an absolute premium. All Servo-X trolleys can be easily folded for storage and the laundry bags themselves can be removed, incorporating drag handles and our top enclosure system. Servo-X uses all the same bag sizes as Servo-Keeper and Servo-Bag units, providing total uniformity and allowing a fully integrated and co-ordinated professional approach to system planning. -</p>
 <p>NKS1</p>	<p>Compact, considered and capable... the NuKeeper Single series will always be a welcome addition where space is at a real premium. Every single feature within the NuKeeper Single series (NKS) is focused on efficiency and capacity. Each NKS unit is equipped with the space-saving Flexi-Front system, folding laundry bags, corner buffers and heavy-duty 360° castors, rising to the challenge of tight corridors and elevators. Full Height 2 x Storage Shelves 1 x 100L Bag Capacity</p>
 <p>NKS2</p>	<p>Compact, considered and capable... the NuKeeper Single series will always be a welcome addition where space is at a real premium. Every single feature within the NuKeeper Single series (NKS) is focused on efficiency and capacity. Each NKS unit is equipped with the space-saving Flexi-Front system, folding laundry bags, corner buffers and heavy-duty 360° castors, rising to the challenge of tight corridors and elevators. Full Height 2 x Storage Shelves 2 x 100L Bag Capacity</p>
 <p>NKU31</p>	<p>The NuKeeper service trolley is the result of 20 years experience and is designed to provide a versatile concept. The standard model with its numerous features can be adapted to suit specific needs.</p> <p>Shelf Storage All Terrain Castors Multiple Storage Configurations 100L Linen Bag</p>
 <p>NKU32</p>	<p>The NuKeeper service trolley is the result of 20 years experience and is designed to provide a versatile concept. The standard model with its numerous features can be adapted to suit specific needs.</p> <p>Shelf Storage All Terrain Castors Multiple Storage Configurations 2x 100L Linen Bag</p>
 <p>NB3002</p>	<p>The NuBag system is fully complimentary to the NuKeeper range, providing a practical selection of mobile laundry trolleys with a choice of capacity and bag sizes 200L Linen Bag 100L Linen Bag All Terrain Castors</p>

JANITORIAL TROLLIES

 <p>NCG-1</p>	<p>The Carousel is, without doubt, not only an outstanding mobile cleaning module but also a very clever design providing a number of cleaning facilities in one exceptionally compact and easy to handle, user friendly package.</p> <p>In principle the Carousel range is designed to make compact size its first consideration but, whilst being small, it has ample scope for professional use. Sometimes two or three smaller units are more acceptable than something larger.</p> <p>The swing top model allows waste disposal, mopping and access to cleaning material all simultaneously. The optional Bactiguard Twist mop with its anti-bactericidal specification will be much appreciated.</p>
 <p>NCG-2</p>	<p>The NC-2 is pure 100% compact convenience.</p> <p>Two colour-coded 70-litre lidded waste bins can be used with or without liner bags, mounted on the unique Carousel chassis for easy movement. Wet and dry waste in kitchens etc. waste separation in offices - 101 applications.</p> <p>Waste bins are detachable for easy emptying.</p>
 <p>NCG-4</p>	<p>The full colour-coded cleaning mobile that really does allow “full” control of the cleaning programme in all applications.</p> <p>Hotels, for example - bedrooms one colour, bathrooms another colour, WCs yet another... a place for everything and everything in its place. Two large and two small twin compartment caddies all together but all easily detachable as required. No system could be simpler or more versatile than the Carousel.</p>
 <p>XCG-1</p>	<p>The ideal choice of service trolley where space is at a premium but where the need for limited mopping facilities is essential.</p> <p>The construction is based on our uniquely strong Structofoam chassis, fitted with non-marking 75mm (3”) castors, rotating buffers, Nutex epoxy coated superstructure, two deep tray units, a pair of 6-litre colour-coded pails and a full size deep 18-litre mop pail fitted with 200g basket to suit the majority of standard mops of this size. The Bactiguard Twistmop with its anti-bactericidal specification will be much appreciated in use.</p> <p>The XC-1 is fitted with a full size Universal Dual Waste System to allow a choice of 120-litre (that accepts 700 x 1100mm waste bags) or twin 70-litre waste units (that accepts 575mm/1000mm waste bags), allowing for simple onboard waste separation.</p>
 <p>XCG-3</p>	<p>Where mopping facilities are not required, this compact trolley provides maximum storage capacity - allowing for the efficient servicing of offices and other accommodations.</p> <p>The construction is based on our uniquely strong Structofoam chassis fitted with non-marking 75mm (3”) castors, protective buffers, Nutex epoxy coated superstructure, two full size deep tray units and a pair of 10-litre colour-coded pails.</p> <p>The XC-3 is fitted with a full size Universal Dual Waste System to allow a choice of 120-litre (that accepts 700 x 1100mm waste bags) or twin 70-litre waste units (that accepts 575mm/1000mm waste bags), allowing for simple onboard waste separation.</p>

MOPS AND BUCKETS

	<p>Conventional Plastic Mop Bucket in 4 colours, Red, Blue, Yellow and Green. Can be used with any Wool or Cotton Mops up to 12 oz.</p>	<p>£3.30</p>

Available in Red, Blue Yellow and Green</p>	<p>£8.00 each</p> <p>£6.60 each</p> <p>£6.56 each</p>

MOPS AND BUCKETS cont....

 <p>HB1812</p>	<p>The Hi-Bak1812 is the latest combination mop bucket with wringer. The unique concept of this mopping system is its unique concept of a partition to separate clean water from dirty water in the same bucket, enables the operator to mop the floor always with clean water, while disposing the dirty water through the wringer into a separate compartment. This enables the operator to clean more efficiently and obtain better results. The use of Structofoam material in both bucket and mop press ensures a very durable, robust and reliable equipment that will cope with normal commercial use. The 1812 is available in 4 colours, Blue, Red, Yellow and Green and is also suitable for Kentucky (Monsoon) up to 20oz. and Microfibre Flat Mop systems.</p>	<p>£78.00 Inc mop press</p>
 <p>MMT1616KG</p>	<p>What is important about the MidMop design is that the mop press is conveniently mounted in the middle and above the clean and dirty water buckets with the very real advantage that you have full access to both buckets all of the time but, equally, the press is in the optimum position to be used without continuously bending down. The integrated water diverter ensures all dirty water is directed into the red handled dirty water bucket at all times ensuring a good and adequate mop-rinsing facility before using the blue handled clean water bucket.</p>	<p>£72.50</p>
 <p>DTK1 and DTK1C</p>	<p>629332 DTK1 3 piece Aluminium Kentucky Mop Kit complete <input type="checkbox"/> without middle comfort grip section</p> <p>629336 DTK1C 3 piece Aluminium Kentucky Mop Kit complete Comfort Grip and Bactiguard Kentucky (Monsoon) Mop Head</p> <p>627626 Bactiguard Kentucky (Monsoon) Mop Heads (Green)</p> <p>627575 10 x Bactiguard Kentucky (Monsoon) Mop Heads (Green)</p> <p>The Numatic range is manufactured to exceptional high quality for commercial use and has been treated with a bactericidal agent.</p>	<p>£26.85</p> <p>£29.00 With comfort grip</p> <p>£10.20 each £96.00 per 10</p>
 <p>MM30</p>  <p>MM350</p> 	<p>Super clean floors... twice as fast... not to mention walls or even ceilings. Yes the professional Multimop is one of the simplest, most effective smaller area mopping systems you will ever use, but like all the best ideas, it is the totally thoughtful design concept that makes it so outstanding. The Multi-mop cleans ceilings with ease. A unique giant sponge mop that will really outperform the rest. The sponge absorbs more than 20 times its own weight in liquid so you can really put plenty down and pick it all up again. The 30 litre bucket runs on 4 twin-wheel castors, so no more lifting buckets all the time.</p> <p>Numatic Multimop 350: Giant Professional Sponge Mop complete with grey 3 piece aluminium handle for heavy duty</p> <p>628140 35cm Multimop 350 Giant Sponge mop refill</p> <p>628142 35mm Multimop 350 Giant Scouring Mop Pad</p> <p>Recommendation: Use "Safety Floor 50 "Safety Floor Cleaner for cleaning Anti-Slip or Alto Flooring.</p>	<p>£57.75</p> <p>£40.00</p> <p>£14.35 each</p> <p>£14.35 each</p>

MOPS AND BUCKETS cont....

 <p>OCTOPUS</p> 	<p>OCTOPUS Scrubbing Tool Kit complete with Aluminium Handle and Holder, together with 25 cm Medium Scouring Pad - Ideal for cleaning Anti-Slip flooring, including Alto flooring. Also for cleaning the edges of skirting boards with its pad holder that can swivel to any angle.</p> <p>Recommendation: Use "Safety Floor 50" Safety Floor Cleaner for cleaning Anti-Slip or Alto flooring.</p> <p>91RPM Replacement Medium Grade Scouring Pad for OCTOPUS Scrubbing Tool Kit</p>	<p>£19.90</p> <p>£1.43 each</p>
	<p>Golden Magnet Sweepers. These superb sweepers attract and hold fine dust without the need for chemical treatment. Synthetic acrylic sweeper heads easy to launder.</p> <p>GM40C 40cm (16") Sweeper c/w frame, handle and head</p> <p>GM60C 60cm (24") Sweeper c/w frame, handle and head</p> <p>GM80C 80cm (32") Sweeper c/w frame, handle and head</p> <p>GM40SH Replacement 40cm (16") Sweeper head only</p> <p>GM60SH Replacement 60cm (24") Sweeper head only</p> <p>GM80SH Replacement 80cm (32") Sweeper head only</p>	<p>£19.00</p> <p>£22.30</p> <p>£26.50</p> <p>£6.10</p> <p>£7.65</p> <p>£10.15</p>
	<p>160VS: Scissor Action "V" Sweeper complete with a pair of "Golden Magnet" sleeves</p> <p>160RH: Pair of Replacement Sweeper heads for Golden Magnet "V" Sweeper</p>	<p>£66.00</p> <p>£24.00</p>

SQUEEGEES

	<p>PFS45C 45cm (18") Colour Coded Plastic Frame Floor Squeegee</p> <p>PFS55C 55cm (22") Colour Coded Plastic Frame Floor Squeegee</p> <p>NB: The prices shown are for Squeegees only. Aluminium Handles have to be ordered separately, if required. The correct handle for these squeegees is Part No. 540 or 555 below.</p>	<p>£5.65</p> <p>£6.30</p>
	<p>540 - Aluminium Handles with Colour Coded Hand Grip. Available in 4 colours, Red, Blue, Yellow and Green</p> <p>555 - Colour Coded Composite Broom Handles for PFS range above Available in 4 colours, Red, Blue, Yellow and Green</p>	<p>£5.65 each</p> <p>£6.05 each</p>

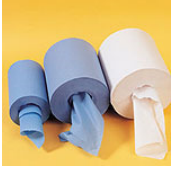

DISPENSERS

	<p>The Brightwell "Modular" 800ml Soap Dispenser is ideal for commercial, institutional and light industrial situations. This dispenser can be found everywhere, in Motorway Service Stations, Hotels, Engineering companies, Garage and Transport, Leisure and Community Centres, Schools and Colleges etc. The New "Modular" Dispenser is made of top quality ABS moulded parts and has a lockable front cover and a sight window to show when a refill is required. It is refillable from a bulk container, <u>no wasteful sachets or pouches.</u></p>	<p>£20.00 each</p>
	<p>The New Brightwell "Modular" 800ml Sanitiser Dispenser with spray nozzle is ideal for areas where hand sanitising is required, i.e. Food factories, Bakeries, Retail Food Premises, Nursing Homes and Hospitals etc.</p> <p>The New "Modular" Dispenser is made of top quality ABS moulded parts and has a lockable front cover and a sight window to show when a refill is required. It is refillable from a bulk container, <u>no wasteful sachets or pouches.</u></p>	<p>£22.00 each</p>
	<p>This large modular hand towel dispenser is designed for high usage and saves time on refilling. The design of this dispenser combines the robust manufacture from tough injection moulded plastic with a unique outlet aperture means that this dispenser is as strong as it is versatile, accommodating your choice of interleaved or c-fold hand towels. The dispenser also incorporates a display window, to show when towels are running out.</p>	<p>£14.25 each</p>
	<p>Standard Centrefeed Dispenser is made from smooth injection moulded plastic and features a self-locking cover with a universal key supplied. Can be used with 20cm and 23cm wide rolls, either perforated and unperforated, it also features a unique tear-off cleat mechanism and flow restrictor plate, which cleverly avoids paper wastage.</p>	<p>£13.50 each</p>
	<p>Robust Plastic Jumbo Toilet Roll Dispenser made from smooth, injection moulded plastic and has a self-locking cover, accessed using a universal modular key (supplied). It is suitable for a wide range of commercial toilet rolls, compatible with both perforated and unperforated papers. Also supplied with a reversible spigot to accommodate varying roll core diameters from 2.25" to 3".</p>	<p>£12.50 each</p>
